EUROPCAR UK DELIVERS A CHRISTMAS COMPETITION
One shopper can win a Mercedes C-Class for the weekend
with free Deliver & Collect for the ultimate Christmas shop

Europcar UK, subsidiary of Europcar Group, the European leader in vehicle rental services and a major player in mobility markets, is giving shoppers a chance to win a weekend's car hire in a Mercedes C-Class, plus £200 worth of Waitrose vouchers. And as part of the ultimate Christmas shopping package, Europcar UK's Deliver & Collect service will deliver the car to the lucky winner's door – and collect it too.

For a chance to win, individuals simply enter via the Europcar UK facebook page between 3rd and 5th December. They will receive their Waitrose vouchers and must redeem the prize on either the weekend of 10-12th December or 17th-19th December.

“Christmas shopping can be a stressful experience, especially if all the presents have to be lugged home on public transport”, said Gary Smith, Managing Director, Europcar UK Group. “But, with our special Christmas competition, one lucky family could do their shopping in style this December – and have some handy Waitrose vouchers too.

“All shoppers have to do is enter the free prize draw on our facebook page. The lucky winner will just select the weekend of their choice in December and we will deliver the Mercedes to their door – as well as pick it up at the end of the hire.”

And even for those who don't win, the good news is Europcar UK makes the Christmas shopping trip easier with Deliver & Collect. Simply book the car of your choice and Europcar UK delivers – taking the stress out of Christmas.

END

About Europcar

Europcar Groupe shares (EUCAR) are listed on the Euronext Paris stock exchange. Europe's leading vehicle rental service for more than 65 years, Europcar is also a major player in mobility markets. Active in more than 140 countries, Europcar serves customers through an extensive vehicle rental network comprised of its wholly-owned subsidiaries as well as sites operated by franchisees and partners. In addition to the Europcar® brand, the company offers low-cost vehicle rentals under the InterRent® brand. A commitment to customer satisfaction drives the company and its 6,000 people forward and provides the impetus for continuous development of new services. The Europcar Lab was created to respond to tomorrow's mobility challenges through innovation and strategic investments, such as Ubeeqo and E-Car Club.
