FANTASTIC CAR HIRE DISCOUNTS FOR HEALTH SERVICES STAFF
Helping Emergency services staff make the most of their downtime with up to 20% off leisure car hire from Europcar UK
www.europcar.co.uk/emergencyservices

Europcar UK, a subsidiary of Europcar Group, the European leader in vehicle rental services and a major player in mobility markets, is aiming to make life a little easier for the people who usually do the caring. The company is offering people who work in Emergency services – including Health services – the chance to make the most of their downtime with up to 20% off UK car hire. Booking is easy online at www.europcar.co.uk/emergencyservices.

Whether it's a trip to the beach, a city break with friends or just a fun day out with the family, Europcar has a vehicle to suit every budget. And the up to 20% off saving can be combined with Europcar's Deliver and Collect service which means the car will be brought to the front door ready for the onward journey.

Emergency Services staff simply need to show their ID at the time of rental to qualify for Europcar's discount.

"Emergency services staff do some of the toughest jobs, but with our discount it's more affordable than ever for them to take a break from it all this Summer", said Gary Smith, Managing Director, Europcar UK Group.

"And with up to 20% off car hire from the wide choice of Europcar vehicles, those who work in the Emergency Services may even be able to afford to upgrade to a roomy vehicle with enough room for the luggage and all the family. The comfort and convenience of car hire from Europcar makes it easy to leave work behind and focus on relaxing and enjoying the journey."

Europcar has over 250 locations across the UK and the widest choice of vehicles. Customers can benefit from Europcar's delivery and collection service, making it the ideal choice for busy families at any time of year. And Europcar vehicles are fully covered by 24 hour roadside assistance at no extra cost, as well as a damage liability and theft waiver, for added peace of mind on long journeys.
