Europcar UK, a subsidiary of Europcar Group, the European leader in vehicle rental services and a major player in mobility markets, is relocating its Richmond branch to Richmond Athletic Ground, as part of its partnership with London Scottish Rugby Club. Plus, under the new agreement, the Club has access to two Europcar vans – a Ford Connect and a Ford Custom featuring London Scottish branding – to help with match day transport, as well as for visiting local schools to promote rugby to the next generation.

“It’s great to be able to support grass roots sports through this partnership with the London Scottish Rugby Club”, said Gary Smith, Managing Director, Europcar UK Group. “Not only does it give us access to a great location in South West London, but it means we can help the team travel to matches and get involved in events in the local community.

“Europcar has been operating in Richmond since 1997 and, by moving to this new location we are reaffirming our commitment to servicing business and leisure travellers in South West London, by providing easy access to a wide choice of vehicles and services, including alternative fuel options, such as hybrid and electric vans and cars.”

Europcar's Richmond branch at Richmond Athletic Ground Car Park, Twickenham Road, Richmond is open 8am to 6pm Monday to Friday and 8am to 1pm on Saturdays.
