EUROPCAR UK ENHANCES ITS COMMERCIAL FLEET WITH HI-SPEC VAUXHALL VIVARO SPORTIVE

Europear UK supports UK businesses with Vauxhall's 'office on wheels' https://www.europear.co.uk/

Van hire specialist, Europear UK, has added Vauxhall's hi-spec Vivaro Sportive to its extensive commercial vehicle fleet.

The addition of the Sportive goes to the heart of Europear UK's mission to provide businesses with vehicles that enable the best possible productivity. Featuring the latest automotive innovations, the British built Vivaro Sportive provides a truly mobile office space for business drivers, giving them the tools they need to work while on the road.

The Vivaro's middle front seat can be folded flat into a small desk, perfect for holding a laptop to make it a true 'office on wheels'.

"Adding the Vauxhall Vivaro Sportive to our fleet shows our commitment to reviewing and upgrading our offering to meet the constantly evolving demands of UK businesses", explained Stuart Russell, Director Commercial Vehicles, Europear Mobility Group in the UK.

"A key challenge for businesses with employees who spend a lot of time on the road is maintaining productivity and using this time well. The technologies at the heart of the Vivaro Sportive tackle this challenge - an 'office on wheels' like the Vivaro Sportive presents the perfect solution for employers."
