

PRESS RELEASE

Paris, 2020 the 10th of June

BUREAU VERITAS AND EUROPCAR MOBILITY GROUP

A NEW PARTNERSHIP TO CONSOLIDATE HYGIENE AND SANITARY MEASURES FOR STATIONS & VEHICLES FLEET

Europcar Mobility Group and Bureau Veritas announce today they have signed a business partnership for the entire Europcar Mobility Group's corporate network, to ensure that the company's facilities and vehicles comply with Health Authorities' safety recommendations and follow best-in-class cleaning standards and protocols.

Bureau Veritas, a global leader in testing, inspection and certification services, will provide Europcar Mobility Group, a major player in mobility markets, with support across its operations.

"As we were actively preparing for the full restart of our activities, anticipating the progressive lift of lockdowns and travel restrictions that the world is currently going through, we decided, as the European leader, to design and implement a highly demanding "Safety Program". This provides material evidence of our commitment that safety is our #1 priority for our employees and our customers. Thanks to this partnership with Bureau Veritas, we will ensure that we flawlessly deliver this promise, so that you can book and travel with us in full confidence." declares **Olivier BALDASSARI, Group Countries & Operations Director, member of the Management Board of Europcar Mobility Group.**

"We are proud to stand by Europcar Mobility Group in order to help them make a difference and demonstrate they are fully prepared to serve their clients in a healthy and safe environment. By leveraging our 200 years expertise in conformity assessment and certification, Bureau Veritas is committed to support all sectors of the economy to cope with this "New Normal". Our teams around the world are engaged to help our clients in addressing society's new expectations in terms of health, hygiene and safety as well as transparency" explains **Didier MICHAUD-DANIEL, Chief Executive Officer of Bureau Veritas.**

The partnership covers operations across 14 countries and relies on two main axes:

- Assess and challenge Europcar Mobility Group guidelines and processes, to ensure safety for customers and employees, in line with local regulations and scientific recommendations.
- Support the deployment of best-in-class sanitary protocols in Europcar Mobility Group's corporate geographies.
