

WHY CHOOSE FLEX VANS?

When faced with uncertain times where it is difficult to forecast the future demand for your business fleet, van rental could provide the flexibility you need.

Do you need fully compliant Chapter 8* vehicles? Do you need them quickly? We can provide instant access to a range of vehicles within 4 hours of booking anywhere in the UK.

When the future - with Covid-19 and Brexit - looks so uncertain, you can be certain when you hire from Europcar that you keep your cash in your business (and not tied up in depreciating assets), you're in control of how long you hire the vehicles for, and you have a range of vehicles to choose from.

If you are looking for Chapter 8 compliant vehicles for a 3 month plus duration, Flex Van rental may be the right solution for you.
