We are Europcar Group UK Limited, a private limited company registered in England and Wales under company number 01089053. Our registered office is at 1 Great Central Square, Leicester LE1 4JS, United Kingdom.

We are referred to as “Europcar”, “we”, “us” and “our” in these Terms and Conditions of Hire (the ‘T&Cs’), in accordance with which we will have the following obligations:

- A. to rent a Vehicle (either a car or a van which will be the same as or similar to the vehicle that you specify in your booking), plus any requested accessories (general accessories which form part of the Vehicle, such as, for example, locking wheel nuts, parcel shelves and boot covers, and items added to the Vehicle by us, such as booster cushions, child seats and satellite navigation units) to you (being the person named in the Rental Agreement (as defined below) and the person who signs it) for the period of time that is specified in the Rental Agreement and which shall not exceed 84 days (the “Hire Period”).
- B. to provide certain ancillary services with all of our rentals and to offer you other ancillary services or products which are available at an extra cost.

The relationship between you and Europcar is governed by these T&Cs together with the following documents which, once you have signed the Rental Agreement, will form a legally binding contract between us and will govern your use of the Vehicle during the Hire Period:

- i. the booking confirmation email (where you have pre booked your rental online or through our reservation centres);
- ii. the Rental Agreement including, if applicable, its specific conditions, which is the document you sign at the time of check-out or the first day of rental;
- iii. the Tariff Guide to additional costs;
- iv. the Light Damage Charges Schedule;
- v. the Privacy Policy;

together the ‘Contract’.

In case of any conflict between any of the documents comprising the Contract then these T&Cs will take priority.

You will also comply with all applicable laws, statutes and regulations from time to time in force.

If you are a company or other organisation for which a credit account has been opened, the contractual documents forming the Contract between us must be read in conjunction with any corporate agreement that may exist between the parties. In the event of any inconsistencies, the provisions of the corporate agreement will prevail.

If any provisions, or part of a provision, contained in these T&Cs and/or any of the contractual documents listed above are found by any court or relevant authority to be unlawful, invalid or unenforceable, the remaining provisions, or part of that provision, shall not be affected and will remain in full force and effect.

1. TO WHOM DO THE RENTAL TERMS AND CONDITIONS APPLY?

These T&Cs will apply to:

- 1.1. you because you are the person who is paying for the rental and any associated costs and you may also be a driver;
- 1.2. any other driver who is expressly named on the Rental Agreement and who is therefore authorised to drive the Vehicle;
- 1.3. a driver (a “Referred Driver”) named on a Rental Agreement that records the hirer’s name as an insurer, bodyshop, dealership or recovery agency (e.g. the RAC or AA or similar).

2. WHO CAN RENT AND WHO CAN DRIVE?

2.1. Who can rent?

Any person who:

- 2.1.1. is legally capable of entering into a legally binding contract and is prepared to accept responsibility for the Vehicle throughout the Hire Period; **and**
- 2.1.2. has the means to pay for the hire of the Vehicle and any associated costs that will be accepted by us (see table below); **and**

Debit Cards	Accepted Always*
Accredited, prepaid or preloaded cards	Not Accepted
Hire Vouchers	Accepted Always*

* Not accepted for rentals of Selection group vehicles

- 2.1.3. provides valid identification documents as indicated in the table below so that we can verify their identity and approve them for rental.

Documents Required	
ID	Where requested
Passport	Where requested
Driving Licence	Mandatory
For UK residents only – a Utility Bill or Bank Statement that shows your home address	See details below regarding verifying your identity below

2.2. Verifying and approving you for rental:

2.2.1. **If you live in the UK:** before we can let you hire a Vehicle from us, in addition to checking your photographic ID (i.e. driving licence or passport), we may:

- 2.2.1.1. verify your identity and home address by using a third party authentication checking system. Depending on the results of the check, we may need you to provide paper-based proof of identity (such as a utility bill or bank statement that shows your home address) that is less than 3 months old on the date you pick up the Vehicle from us. It may be helpful to have such documentation with you, just in case we need this paper-based proof of identity. This is because if you can't provide it when we ask you for it we won't be able to hire a Vehicle to you. Paper based proof will not be acceptable for our Selection range of vehicles; and
- 2.2.1.2. undertake checks for the purpose of preventing fraud and money laundering. This may include checking your accident claims and motor vehicle history via a third party fraud prevention and detection database service.

When we and third party fraud prevention agencies process your data for these purposes, we do so on the basis that we have a legitimate interest in preventing and detecting fraud and verifying your identity before providing you with a hire Vehicle.

If you pass this fraud prevention check **and** your identity and home address is successfully verified then we can let you have a hire Vehicle. However; if you fail the fraud prevention check we won't be able to hire a Vehicle to you, irrespective of whether your identity and home address is successfully verified.

2.2.2. **If you live outside the UK:** when you collect your Vehicle, in addition to photographic ID (ID card or passport), we will ask to see proof of return flights or alternative return travel arrangements and contact details within the UK. If you can't provide such documents when we ask you for them we won't be able to hire a Vehicle to you.

2.2.3. **Wherever you live (whether UK or non-UK),** before we can hire a Vehicle to you we may have to carry out an eligibility check and, in some circumstances, this may be converted into a full credit check as set out below:

2.2.3.1 Eligibility Check (known as a 'soft credit check')

Before you rent, Europcar will run an eligibility search. This is known as a soft credit check and will not impact your credit score. The personal information you provide to us will be used to consider your eligibility and to administer the Hire Agreement before, during and after its termination. We will use a credit scoring or other automated decision-making system when assessing whether to rent a vehicle to you. To assist us with our assessment of your application, we will search your record with credit reference agencies ('CRAs'). The identities of the CRAs and the ways in which they use and share

personal information is explained in more detail at <http://www.experian.co.uk/crain/index.html>.

2.2.3.2. Full credit check

In the event that you fail to pay the debt in full, or reach an agreement of how to pay, within 28 days of the debt becoming due the Europcar eligibility check may be converted into a full credit check. The CRAs will add details of our search and of your application to your record and your data will also be linked to the data of your spouse, any joint applicants or other financial associates. This information will be seen by other organisations that make searches (i.e., it will leave a footprint on your credit profile). We will continue to exchange information about you with CRAs on an ongoing basis. This exchange will include details of the Hire Agreement, the payments you make under it, your settled accounts and any debts not fully repaid on time; any default or failure to keep to its terms and any change of address you fail to tell us about where a payment is overdue. This may have an impact on your credit profile. It is important that you give us accurate information. CRAs will share your information with other organisations and it will be used by us and those other organisations to:

- help make decisions about credit and credit related services such as insurance for you and other persons with whom you are financially connected; and/or
- trace debtors, recover debt and prevent money laundering and fraud, to manage your accounts. For these purposes we or those other organisations may make further searches.

The CRAs and fraud prevention agencies will also use the records for statistical analysis about credit and about insurance and fraud. The identities of the CRAs and the ways in which they use and share personal information is explained in more detail at <http://www.experian.co.uk/crain/index.html>.

If you want to have details of the CRAs from whom we obtain and to whom we pass information about you, please contact Experian, details can be found at <http://www.experian.co.uk/crain/index.html>. You have a legal right to these details.

2.2.4 **Wherever you live (whether UK or non-UK),** before we can hire a Vehicle to you we may have to verify that you are not recorded on a Sanction List, being any list of designated individuals as issued and amended from time to time by: (a) the U.S. government, including OFAC's list of Specially Designated Nationals and Blocked Persons and lists maintained by the U.S. Department of State; (b) the United Nations Security Council; (c) the European Union and any Member State (including the EU's consolidated list of persons subject to EU financial sanctions); and (d) the United Kingdom (including the consolidated list of financial sanctions targets issued by the UK's Office of Financial Sanctions Implementation). For further information regarding how we process your personal data, please see section 21 below.

2.3. Who can drive the vehicle? (the "Driver")

The Driver of a Vehicle will be any person who is deemed by us to be authorised to drive the Vehicle because they comply with all of the following requirements:

- 2.3.1. they are expressly mentioned and fully identified on the Rental Agreement as either the hirer or an additional driver or a Referred Driver;
- 2.3.2. they have provided a valid driving licence and a valid identification document according to the requirements of section 2.2 above; and
- 2.3.3. they hold a full and valid driving licence
- 2.3.3.1. **UK driving licence holders:** must have held a full and valid driving licence for a minimum of 12 months that satisfies the endorsement restrictions shown in the UK Terms and Conditions section of the Europcar website <https://www.europcar.co.uk/terms-and-conditions/specfic-terms-per-country>. UK driving licence holders must provide validation of their driving record each time they hire a Vehicle from us to drive in the UK and will need to use the DVLA online service "Share Driving Licence" to view and create a one-time passcode. Each Driver should go to <https://www.gov.uk/view-driving-licence> where they will be asked to submit their driving licence number, National Insurance number and home postcode. The passcode, **which will be valid for a maximum period of 21 days from the point it is generated**, must be presented to us and still be valid when picking up any Vehicle from us. If we need to check the Driver's licence with DVLA for any reason (other than by using the Share Driving Licence passcode) then you agree to pay the DVLA Contact Charge that is set out in the Tariff Guide.
- 2.3.3.2. **Non UK driving licence holders:** must have held a full and valid driving licence for a minimum of 12 months. Licences issued overseas must be clearly identifiable as a driving licence otherwise an international driving permit will be required.
- 2.3.3.2.1. If you need to supply an international driving permit as well as the actual licence then both documents must show the same address in your country of residence. It is acknowledged that some countries do not issue international driving permits. In such circumstances a Letter of Endorsement, issued by the relevant Consulate or Embassy, will be accepted.
- 2.3.3.2.2. In addition, the following documentation must also be provided: (i) passport; and (ii) proof of entry/exit into/out of the UK (e-tickets acceptable).

Please note that all driving licences must be provided in full valid hard copy format, i.e. paper or card. Digital versions are not acceptable.

- 2.3.4. A "Young Driver Surcharge", as set out in the Tariff Guide, will apply to all Drivers aged between 22 and 26. The age policy may vary at certain UK locations and some Vehicles and/or products will not be available at all to Drivers under the age of 25. These restrictions will be indicated during the booking process. If you are under the age of 25, you should contact the UK location directly for more

details on their renting policy. The minimum age to drive one of our Selection range of vehicles is 25 or 30, depending on the Vehicle. These restrictions will be indicated during the booking process.

2.3.5 **Age limits - York, Jersey, Guernsey and Orkney**

For all rentals from any of the above branches, a maximum age limit for all Drivers applies as follows:

York and Orkney - 75

Jersey and Guernsey - 79

This is based on the Driver's age on the day of check-out of the Vehicle.

You are (i) responsible for bringing the terms of this Rental Agreement to the attention of any additional drivers; and (ii) liable for any costs, charges and damage that arises not only as a result of your own actions, but also those of any additional drivers and anyone you knowingly, negligently or recklessly allow to drive the Vehicle.

2.4. **Who cannot drive the Vehicle? (an 'unauthorised driver')**

- 2.4.1. Any person that is not expressly mentioned or identified on the Rental Agreement as a Driver (see section 2.3 above).
- 2.4.2. Any person who cannot provide valid identification documents as indicated in sections 2.1.3 and 2.2 and 2.3 above.
- 2.4.3. An unauthorised driver will not be covered by any of the insurance or protection products we offer.
- 2.4.4. If you allow an unauthorised driver to drive the Vehicle then you are considered to be in breach of the Contract and you will be responsible for any consequences that may arise as a result. This will include paying the sums set out in section 12 below.

3. **WHERE CAN I DRIVE A VEHICLE?**

- 3.1. You must not take our Vehicle (nor permit the Vehicle to be taken) outside Mainland UK and Northern Ireland ("the Territory"), without obtaining our prior written consent. Written consent (form VE103B) is essential whether you are just visiting the Republic of Ireland, crossing the Channel to France or going for a longer journey into Europe. The VE103B and a Green Card (if this is required by your destination country and/or any countries you journey in or through) is provided as part of both our Europdrive and Cross-Border Packs.

The Cross-Border Pack applies and is required if you are visiting the Republic of Ireland from Northern Ireland or Mainland UK. The Europdrive Pack applies and is required if you are crossing the Channel into Europe from either Mainland UK or Northern Ireland. There is a charge for both the Europdrive and Cross-Border Packs. Details are set out in the Tariff Guide and/or the Rental Agreement.

3.2. **Travel to the Republic of Ireland from Northern Ireland or Mainland UK**

All Vehicles retained on our fleet are fitted with electronic devices which tell us if a Vehicle has crossed the border from Northern Ireland into the Republic of Ireland. If, during your Hire Period, the device confirms that you have driven the Vehicle across the border without our prior knowledge and consent then we will let you know immediately by email or text that the device has alerted us to your border crossing. We reserve the right to charge you for the cost of the Cross-Border Pack, as well as an Unauthorised Border Crossing Charge (see Tariff Guide for details), when you return the Vehicle to us at the end of the Hire Period.

3.3 **Travel to Europe from from Northern Ireland or Mainland UK**

All Vehicles retained on our fleet are fitted with electronic devices which tell us if a Vehicle has crossed the border into Europe from Northern Ireland or Mainland UK. If, during your Hire Period, the device confirms that you have driven the Vehicle across the border without our prior knowledge and consent then we will let you know immediately by email or text that the device has alerted us to your border crossing. We reserve the right to charge you for the cost of the Eurodrive Pack, as well as an Unauthorised Border Crossing Charge (see Tariff Guide for details), when you return the Vehicle to us at the end of the Hire Period.

3.4. If you do take a Vehicle into the Republic of Ireland or Europe, whether we give you our consent or not, you are responsible for ensuring the Vehicle has the correct equipment to comply with local driving regulations in the country(ies) that you intend to drive in or through. If the Vehicle needs to be modified in any way, you must always obtain our prior written consent to make the modification. If we give that consent and the modification of the Vehicle is carried out, you will be responsible for any loss of, and/or damage to the Vehicle caused by the modification.

Please be aware that you must comply with all road traffic regulations in the country where you drive the Vehicle. You must also ensure that the Vehicle you are driving complies with the local legislation for each country that you may drive in or through.

4. **WHAT TYPE OF VEHICLE CAN BE RENTED AND FOR WHAT PURPOSE?**

You can rent either a passenger car or a van and you must drive the Vehicle in accordance with its intended use as follows:

- 4.1. passenger cars are intended for the carriage of varying numbers of people (depending on the manufacturer's recommendations); and
- 4.2. vans may be used for the carriage of goods up to the identified weight limit.

5. **WHAT ARE MY OBLIGATIONS TOWARD THE VEHICLE?**

When renting a Vehicle from us both you and/or any Driver or Referred Driver (each of whom, for the purposes of this section, will be included in the term 'you') must comply with the following obligations:

- 5.1. Return the Vehicle and its keys, accessories and documentation to us:
 - 5.1.1. at the return station identified in the Rental Agreement;
 - 5.1.2. by the expiry time and on the date specified on the Rental Agreement, noting that we allow you a grace period of 29 minutes after the expiry time and date (please see sections 5.12 and 11.1.5 below); and
 - 5.1.3. in the condition that we provided them to you at the start of the Hire Period, subject to any fair wear and tear. For a definition of fair wear and tear, please refer to our 'Guide to a Smooth Journey' which can be found on <http://www.europcar.co.uk> at the foot of the Home page; and
 - 5.1.4. with a full tank of fuel, unless you have purchased our 'Full Tank Option' (see sections 9.3.2.1 and 18.2.1).

If you do not return the Vehicle as stipulated in this section 5.1 then we will take all necessary measures outlined in these T&Cs and, in particular, in section 11 (*What will happen when I return the Vehicle?*).
- 5.2. Never drive the Vehicle outside the Territory (see section 3 above) without our prior written consent. Moreover, if we do consent then, it is for you to ascertain that the Vehicle has the correct equipment to comply with the local driving regulations of the country that you will be driving in or passing through.
- 5.3. Drive the Vehicle in accordance with all applicable road traffic laws and regulations and ensure that you are familiar with all relevant local laws and driving regulations.

- 5.5. Treat the Vehicle with due care and respect and make sure that it is always locked and protected by its anti-theft devices when it is parked or left unattended. Keep the keys in your possession at all times. Do not leave them at a property with the Vehicle or give them to anyone who is not an authorised Driver of the Vehicle or anyone who we have not approved.
- 5.6. Never drive the Vehicle whilst you are under the influence of alcohol, hallucinatory drugs, narcotics, barbiturates, other illegal drugs or any other substance (whether legal or illegal) that is liable to impair your driving ability.
- 5.7. Not fit any roof, bike rack, tow bar or electronic devices or cables, nor allow anyone else to do so. If these are already fitted you must not (nor allow anyone to) modify them. You must not fit winter tyres (nor allow anyone to do so) or make any other modifications to the Vehicle without our prior written consent. You will be responsible (even if we give consent) for any damage caused by the fitting of winter tyres or subsequent exchange to normal tyres or for any other modification.

- 5.8. Not smoke or use e-cigarettes in the Vehicle nor allow anybody else to do so. If we reasonably think that smoking or using e-cigarettes has happened in the Vehicle, you must pay our valet charge or, depending on the overall condition of the Vehicle when it is permanently returned to us, our special cleaning charge. Valet and special cleaning charges are more fully described in section 9.3.2 below (*What are the other fees / charges that I may have to pay?*).
- 5.9. Refill the Vehicle with the correct type of fuel. If unsuitable fuel is added then you will be responsible for all reasonable expenses incurred by us in the repair of any damage that may be caused to the Vehicle, which will be calculated in accordance with the rules described in section 12 (*Damage to the Vehicle*) below. If the Vehicle is electric, it must only be charged using the cables supplied by us and in strict compliance with the Vehicle manufacturer's instructions. If the charging cables are lost or damaged this will be treated as serious damage in accordance with clause 12.11 below.
- 5.10. Make routine inspections in respect of the Vehicle condition: for example, oil, water and coolant levels, front and rear windscreen washer fluid and tyre pressures and tread depth and take any preventive actions necessary to keep the Vehicle in good working order.
- 5.11. Do not use the Vehicle nor allow the Vehicle to be used:

- 5.11.2. to carry passengers for hire or reward;
- 5.11.3. to carry more passengers than is recommended by the Vehicle's manufacturer;

- 5.11.5. for racing, off-roading, reliability trials, speed testing or to take part in rallies, contests, or trials, wherever they are located, official or not;
- 5.11.6. to transport live animals (with the exception of Assistance Dogs, subject to our prior written consent. Please refer to section 25.1 for full details as to our Animal Policy);
- 5.11.7. to give driving lessons;
- 5.11.8. to push or tow another vehicle or trailer (except where the Vehicle you are renting is already fitted with a tow-hook when the maximum load will be 1,000 kilos);
- 5.11.9. on gravel roads or roads that are unfit for motor vehicles or where the surface or condition of it involves risks for the tyres or for the underside of the Vehicle or for the Vehicle itself, such as beaches, forest paths and mountains;

- 5.11.10. to cross fords or other areas of water;
- 5.11.11. to intentionally commit an offence.
- 5.12. Return the Vehicle and its keys, accessories and documentation to us by the expiry time and date specified in the Rental Agreement and in a condition that complies in all respects with the requirements of section 5.1 above. We allow you a grace period of 29 minutes after the expiry time and date and if you don't return the Vehicle within this period then we will charge you:
- 5.12.1. the daily charge for each day (or part day) that you keep the Vehicle beyond the expiry time and date specified in the Rental Agreement, plus an unauthorised Extension Charge (which is set out in the Tariff Guide); and
- 5.12.2. for damage caused to the Vehicle (if any), as set out in section 12 below, up to the value of the damage excess amount that you agreed at the start of the Hire Period, provided always that you have not done something or failed to do something which compromises or invalidates the insurance and protection provisions (see section 26 below); and
- 5.12.3. for any missing fuel (if applicable) in accordance with section 18.2.3 below.
- 5.13. **You must not allow any unauthorised driver to drive the Vehicle, which includes you deliberately allowing the unauthorised driver access to the Vehicle or the access being acquired due to your negligence, negligent act or failure to act.**

If you fail to fulfil any or all of these obligations then, it may cause the insurance and protection provisions (set out in section 26 below) to be compromised and/or invalidated and you will be responsible for and will pay to us all reasonable costs of any detrimental consequences, loss and/or damage that may arise as a result. In addition, we reserve the right to demand the immediate return of the Vehicle if the contracted and/or optional insurance coverage and complementary services are compromised and/or invalidated.

8. WHAT IS INCLUDED IN THE PRICE I PAY?

The information you provide to us at the time of booking (such as the duration of the Hire Period or your age or any Driver or Referred Driver's age) will determine the price you pay. Any change to that information could therefore mean that the price changes. The price of your rental will be the price in force at the time of booking or at the time you make any changes to that booking.

The price you will pay comprises the following items:

- 8.1. the daily rental charge for the Vehicle for the agreed number of calendar days. This will include the standard inclusive ancillary services (see section 6 above for details), unless you are a Referred Driver (see section 1.3 above) in which case you will not be responsible for the daily rental charge recorded on the Rental Agreement for the Hire Period (but you will be responsible for the daily rental charge if you extend the Hire Period for your own purposes);
- 8.2. the price of both third party liability insurance and our Basic Protection package which includes collision damage (CDW) and theft (TW) waiver cover, unless you have chosen to provide your own fleet insurance or have purchased a product that excludes collision damage waiver and/or theft waiver covers (see section 9.2.2 below);

- 8.2.1. If you haven't purchased any of the excess reduction products that we offer, you will be responsible for paying an amount up to the collision damage waiver excess shown on the Rental Agreement, together with all relevant charges and fees if the Vehicle is damaged or stolen during the Hire Period, whether or not you were at fault (unless section 12.2.3 applies).
 - 8.2.2. Neither of our waiver covers (CDW / TW) nor any of our excess reduction products protect you for:
 - 8.2.2.1. loss of, or damage to, the Vehicle and/or accessories caused by Driver abuse, negligence or breach of the Contract. However, third party liability cover will still be in force to cover any damage to a third party. In these circumstances, you will be responsible for paying the sums set out in section 12 below in full and your liability will not be capped at the Excess amount; or
 - 8.2.2.2. the costs incurred by us if the Vehicle is returned to us at the end of the Hire Period in a condition:
 - 8.2.2.2.1. that requires more than our standard ready for rent clean before it can be supplied to another customer; or
 - 8.2.2.2.2. where it has been used (or we reasonably believe it has been used) to carry hazardous or raw waste during the Hire Period and you have not properly cleaned it prior to its return or it still contains such hazardous or raw waste; or
 - 8.2.2.2.3. where it contains material amounts of refuse that requires disposal;
 - 8.2.2.3. any goods or personal possessions that you carry in a Vehicle (which are carried at your own risk) or which are left in the Vehicle when you return it to us.
 - 8.2.3. You must comply with all of the terms and conditions of the Contract so that our third party liability insurance and/or collision damage waiver and/or other excess reduction products (whichever apply) are not compromised and/or invalidated. If you do not do so then we and/or any provider of those products (whichever applies) may decline to accept responsibility for any loss of, or damage to, the Vehicle arising during the Hire Period. If cover is declined, you will be liable to pay the sums set out in section 12 below in full and your liability will not be capped at the Excess amount.

 - 8.6. Value Added Tax; and
 - 8.7. any additional fees or charges that are linked to you personally (for example: if you are a young Driver).
- For the avoidance of doubt, the price you pay does not include the cost to us of filling the fuel tank (refuelling) should you be in breach of your obligation (if applicable) to return the Vehicle to us with a full fuel tank (see sections 9.3.2.1 and 18.2.2).

9. WHAT ARE THE OTHER FEES / CHARGES THAT I MAY HAVE TO PAY?

9.1. The Deposit

9.1.1. Information on the deposit you are required to pay can be found in your booking confirmation email and also on our websites www.europcar.co.uk or www.europcar.com.

9.1.2. In addition to the daily rental charge (that you either prepaid at the booking stage or will pay at the time of pick-up), we will ask you to leave us with some security for any additional charges that may arise during your use of the Vehicle over the Hire Period. This security is in the form of a financial deposit and the amount for this will have been specified in your confirmation email. The deposit amount will also be confirmed on the Rental Agreement.

9.1.3. If you need any additional information regarding the deposit please refer to section 19 below (*'Must I pay a deposit before picking up the Vehicle?'*) or contact us on 0871 384 1087 (calls will cost 10 pence per minute plus your phone company's access charge) or by email to reservationsuk@europcar.com and we'll try to answer any questions you may have.

9.2. Your Insurance

9.2.1. Corporate Fleet policies only

9.2.1.1. If you have not purchased any of our Protection products (see section 8.2 above and the guide to the Europcar Insurance and Protections provisions under section 26 below) and you are covered by your company's fleet insurance policy then your company is responsible for the cost of such insurance and for any excess that may apply to it. The insurance cover provided under such a fleet policy must be fully comprehensive insurance and be effective from the start of your Hire Period (when the Vehicle will be your responsibility) until the earlier time of 8 working hours after the end of the Hire Period or the inspection and permanent return to us of the Vehicle, its keys and any accessories (when responsibility for the Vehicle will pass back to us).

9.2.1.2. We reserve the right to ask you for satisfactory proof of your fleet insurance before we let you have a Vehicle. If you become aware of any changes in your fleet insurance cover during the Hire Period you must tell us by notifying our insurance department in writing at our UK address (shown on page 1 of these T&Cs).

9.2.1.3. **It is your responsibility to ensure that your Fleet insurance complies with these requirements. In the event that any fleet insurance provided by you fails to be effective or satisfactory, you are responsible and must pay us the sums set out in section 12 below**

9.2.2. Stand Liable and Third Party Excess Cover

Stand Liable

If you have purchased a rental product that excludes collision damage waiver or because your credit card provides you with insurance cover then only third party liability insurance will be included in the daily rental charge. You can opt to purchase our collision damage and/or theft waiver products and any of our excess reduction products (see the Insurance and Protection provisions set out in section 26 below) but if you do not do so then:

(1) you must complete our separate Stand Liable Declaration Form; and

(2) you will be responsible for the sums set out in section 12 below without the application of any Excess amount.

Third Party Excess Cover

For the purposes of this clause, third party excess cover is any excess waiver or insurance product, not purchased from us, which covers your liability up to the value of the Excess amount (if you have purchased our collision damage and/or theft waiver products) **OR** the full value of the vehicle (if you have not purchased collision damage and/or theft waiver products). The benefit of third party excess cover is not transferred to your Contract with us. Accordingly, in the event that you are liable for a sum up to the value of the Excess or the full value of the vehicle, we will recover any sums directly from You and You will then need to make a separate claim to the provider of your third party excess cover. We do not deal with any third party provider directly. The only exception to this is where you have purchased Enhanced Partner Protection cover detailed in clause 26.8.

Personal Car Insurance Policies

We do not accept the transfer of personal car insurance policies.

9.3. Charges and Fees

We may charge you for various services that we will carry out as a result of incidents that may occur during the Hire Period and/or as a result of how you, or any additional/other driver you are responsible for, used the Vehicle. These charges and fees (inclusive of VAT (or Insurance Premium Tax where applicable)) are listed in the Tariff Guide and/or the Rental Agreement. Such charges and fees include, but are not limited to, the following:

9.3.1. Relating to Fines and Penalties

9.3.1.1. Where the term '**issuing body**' is used in this section 9.3.1 it can apply to any, or all, of the following organisations:

9.3.1.1.1 police or other enforcement agencies or other issuing authorities where a driving offence or suspected driving offence has been committed during a Hire Period; and

- 9.3.1.1.2. either a public or a private enforcement agency that is entitled to issue parking charge notices and associated fines where a purported or actual breach of contract has arisen.
- 9.3.1.2. You are responsible for and will pay all charges arising from:
- 9.3.1.2.1. entering any congestion zones, also known as clean air zones or ultra low emission zones, including any failure to pay such charges;
- 9.3.1.2.2. parking charges, including any failure to pay them;
- 9.3.1.2.3. a breach of any parking restrictions or a road traffic offences or any other offence or infringement involving the Vehicle, such as (but not limited to) lane infringement, tunnel, turning and bus lane charges, including the costs from the Vehicle being clamped, seized or towed away and any other charges/costs (including any failure to pay them) levied by an issuing body.

Unless the Vehicle has been reported stolen, or is being driven by a Referred Driver, you are, and will remain, primarily liable for all charges set out above, regardless of who was driving the Vehicle. We may therefore notify any relevant organisations of your personal details to effect a transfer of liability.

If we are required to deal with such correspondence, make payments or otherwise liaise with any such issuing bodies we will charge your credit/debit card with our Third Party Administration Charge as set out in the Tariff Guide. You have the right to challenge that Third Party Administration Charge **within 7 days of the date of the invoice**. The Third Party Administration Charge will only be refunded if you can provide supporting evidence to show that the issuing body:

- (i) has rescinded the fine or penalty; and
- (ii) confirms that the original charge did not apply in any event.

- 9.3.1.3. If we receive a penalty charge notice or a parking charge notice that is issued by any issuing body for the Vehicle during your Hire Period and which is capable of being paid then we may pay it. Our reasons for doing so include, but are not limited to, mitigating the cost and because we do not have the correct paperwork to transfer liability. **We retain absolute discretion as to whether to pay such charges. If we elect to do so, you will reimburse us the said charge plus our Third Party Administration Charge (for each charge we pay or each time we deal with such correspondence).** If we do pay the charge then we will take the following actions:

- 9.3.1.3.1. we will give you notice that we have paid the penalty and supply an invoice for the cost of the penalty plus our

Third Party Administration Charge; and

- 9.3.1.3.2. we will tell you that we intend to take the money for the cost of the penalty and the Third Party Administration Charge from your credit/debit card **within 7 days of the date of our notice to you**; and
- 9.3.1.3.3. we will provide you with a letter of authorisation allowing you to deal directly with the issuing authority in relation to the penalty.
- 9.3.1.4. *If you do not contact us or you admit the validity of the penalty* then we will take the money from your credit/debit card on the 8th day following the date of our notice.
- 9.3.1.5. *If you believe the penalty was not validly issued*, you are responsible for contacting the issuing body to appeal, using the letter of authorisation we have provided to you. If the issuing body allows the appeal and both rescinds the fine or penalty and confirms to us that the original charge did not apply in any event, then we will refund you any sums paid by you in relation to the fine or penalty. You should note that the decision of the issuing body is final and outside of our control.

9.3.2. Other Charges and Fees

- 9.3.2.1. Any additional fees and charges that are linked to other events which take place during your Hire Period. All such fees and charges are set out in the Tariff Guide and/or the Rental Agreement and includes, but are not limited to, the following examples:
- charges for damage suffered by the Vehicle** see section 12 below;
 - a 'one way hire' charge** if you wish to return the Vehicle to a different Europcar Branch;
 - a 'reservation amendment' charge** each time you modify any details of your booking once the Hire Period has started;
 - valet charge** a reasonable valet charge will apply where the level of cleaning required to return the Vehicle to a rentable condition will take longer for our staff to complete than our standard 'ready-for-rent' clean (e.g., where you or a passenger has smoked or used e-cigarettes in the Vehicle during the Hire Period);
 - specialist cleaning** specialist cleaning charges will apply if the Vehicle is returned to us in a condition that is beyond our in-house valeting skills and we have no alternative but to incur the cost of expert third party cleaners to return it to a rentable standard. Please refer to the Serious Damage Related Costs section of the Tariff Guide (*Damage to the Vehicle OTHER THAN (i) Damage to Tyres, Windscreen and Loss of or Damage to Essential Items or (ii) where the Vehicle is determined by us to be a Total Loss*) for more details as to cost;
 - Lost or stolen or damaged keys** (whether or not you are at fault for the loss, theft or damage)

the cost of replacing the keys plus the Tyres, Windscreen and Essential Items Damage Administration Charge;
'Excess Mileage Charges' for any additional miles you travel over and above the mileage allowance (if any) included in the rental charge;
'Out of hours key returns box' charge will apply if you return the Vehicle to the Europcar Branch outside of normal opening hours and leave the keys in the key return box. It will also apply if you leave the keys in the key return box during normal opening hours;
'Unpaid Charges Admin Charge' will apply if we have to recover charges associated with your rental that you have not paid. Reasonable legal fees, statutory court costs and interest may also be payable in addition to the Unpaid Charges Admin Charge (as shown in the Tariff Guide);
'Europdrive' pack and 'Cross-Border' pack will be required if you wish to take the Vehicle from Mainland UK or Northern Ireland into Europe or between Mainland UK or Northern Ireland and the Irish Republic. These packs include the form VE103B which gives our consent (as registered keeper) for you to drive the Vehicle outside of the Territory (see section 3 above and the Tariff Guide for further details), a Green Card if it is required by your destination country and/or any countries you journey in or through, plus other important information relating to recovery following a breakdown or incident.

You agree that you are responsible for the payment of all charges and fees detailed in this clause 9.3. If you fail to make a payment to us when it is due, and you still do not make payment within 2 days of us reminding you that payment is due, then we may cancel the Contract and demand the immediate return of the Vehicle in accordance with section 25.3.1.

9.4. Premium Location Surcharge

9.4.1. All rentals commencing from a Premium Location (which are sites where the cost to us of providing the services to you are higher than across the rest of our network) will be subject to a surcharge per rental which is set out in your Rental Agreement. Please note that, although this may be listed in your Rental Agreement as an "Airport Surcharge", it includes all Premium Locations, not just airports.

9.4.2. Premium Locations include, but are not limited to, airports, major ferry terminals and railway stations, as well as some city locations. Premium Locations vary from time to time – full details of our Premium Locations can be found at <https://www.europcar.co.uk/premium-locations>

10. WHAT SHOULD I PAY ATTENTION TO WHEN I PICK UP THE VEHICLE?

10.1. When you pick up the Vehicle from us you will be asked to sign a section on the Rental Agreement that describes the Vehicle's condition at that particular time. Before you sign the Rental Agreement you should:

- 10.1.1. inspect the Vehicle and any accessories for any pre-existing damage; and
- 10.1.2. check that the Vehicle's fuel tank is full.
- 10.2. If you notice any apparent defect or damage that is not described on the Rental Agreement then you should ensure a note is made on the Rental Agreement and that we both sign the change to it.
- 10.3. Where it isn't possible to check pre-existing damage to the Vehicle and any accessories at the time of pick-up you must notify any such damage to us within 24 hours of the start of the Hire Period. Notification of such damage should be made by phoning 0800 0280 999.
- 10.4. If you don't notify us of any pre-existing defect or damage then we will assume that you have accepted the Vehicle and any accessories in the condition set out on the Rental Agreement and we will charge you for any new damage that is discovered when the Vehicle and any accessories are inspected by both parties when you return the Vehicle.
- 10.5. Familiarise yourself with the Vehicle before driving it on the public highway. Make sure you know where the controls are for essential instruments such as headlights, indicators, hazard warning lights, where the parking brake is situated (and how it is released and applied) and what type of fuel the Vehicle uses. For further information check the Vehicle Instruction Card which details basic operating instructions and can be found on the Vehicle's sun visor or by visiting <https://www.europcar.co.uk/vehicle-information-card>. Should you require further assistance please ask the Branch staff or, if you have already set off on your journey, contact your nearest Europcar Branch.

11. WHAT WILL HAPPEN WHEN I RETURN THE VEHICLE?

11.1. Return of the Vehicle generally

11.1.1. You should return the Vehicle to the Europcar Branch on the date and at the time shown on the Rental Agreement and, subject to any fair wear and tear, in the same condition as it was at check out (see section 5.1 above).

11.1.1.1. You may return the Vehicle to another of our Branches if you pay the 'one-way hire' charge set out in the Tariff Guide. Please consult with the Europcar Branch of pick up to arrange this.

11.1.1.2. If we are to collect the Vehicle and key from you, it must be parked in a suitable place to allow collection at any time up to a period of 8 working hours from the end of the Hire Period, without the imposition of any fines or congestion charges. Please note that some Europcar Branches do not operate for the entire weekend and/or on statutory Bank Holidays. Where this is the case, such times will not be counted as working hours. Details of Branch working hours are available at www.europcar.co.uk.

- 11.1.1.3. If, when you return the Vehicle to us (or when we come to collect it from you), we discover that it is empty but, in our reasonable opinion, has been used to carry raw or hazardous waste or it still contains such raw or hazardous waste then we will not accept its return. Instead:
- 11.1.1.3.1. the Vehicle will remain on rent to you; and
- 11.1.1.3.2. you will be required to dispose of all such raw or hazardous waste materials and to clean the Vehicle to a reasonable standard of cleanliness and in any event, to ensure it poses no danger to Europcar staff or any future customers.
- Once the Vehicle has been cleaned and returned to us, we (meaning you and us) will make a full inspection of the Vehicle.
- 11.1.1.3.3. If, in our reasonable opinion, the Vehicle is in an acceptable condition then we will accept its return and the rental charges will cease;
- 11.1.1.3.4. If, however, we believe the Vehicle requires a further valet or specialist cleaning attention then you will be charged our reasonable costs in accordance with the charges set out in the Serious Damage Related Costs section in the Tariff Guide (*see: Damage to the Vehicle OTHER THAN (i) Tyre or Windscreen Replacement or Repair or Loss of or Damage to Essential Items or (ii) where the Vehicle is determined by us to be a Total Loss*)
- 11.1.2. You are responsible for any fuel you use during the Hire Period (including any fuel used for any delivery and/or collection) and for returning the Vehicle to us with a full tank of fuel, unless you purchased our 'Full Tank Option' at the time of check-out. If you have not purchased the Full Tank Option and you don't return the Vehicle with a full tank of fuel then we will charge you or fuel required to refill the Vehicle's fuel tank.
- Further details of our Fuel Charges are set out in section 18 and in the Tariff Guide.
- 11.1.3. **Personal Property**
- We are not responsible for any loss of, or damage to, any personal belongings placed in or on the Vehicle which will at all times be your responsibility. You must not leave any personal belongings in or on the Vehicle when you return it to us (you are responsible for checking and removing your personal belongings from the Vehicle). We have no liability for any personal belongings left in or on the Vehicle when you return it to us and any belongings which remain unclaimed 2 months after the end of the Hire Period will be disposed of.
- 11.1.4. **Early Return**
- If you return the Vehicle before the return date and time stated on the Rental Agreement then

we agree that the Hire Period will end when you return the Vehicle to the Europcar Branch and hand the Vehicle keys to a Europcar agent. Please note, however, that the rental charges will remain the same (ie as if you had not returned the Vehicle to us before the return date and time stated on the Rental Agreement) as we will not refund any unused daily rental or accessory charges to you.

11.1.5. **Late Return**

We allow you a grace period of 29 minutes after the expiry time and date of the Hire Period shown on the Rental Agreement in which to return the Vehicle to us. If you fail to do so, and you have not extended the Hire Period in accordance with section 17 below, and if we do not hear from you for a period of 24 hours (from the expiry time and date of the Hire Period) concerning the delay in its return, we will regard the Vehicle as having been stolen and will report this to the police. We will take all lawful means to recover the Vehicle (which may include repossessing it or applying for a Court Order requiring you to return it and/or pay us an amount equal to the Vehicle's market value). If we have to take such steps then:

- 11.1.5.1. you give us permission (and cannot withdraw it) to access your premises for the purposes of repossessing the Vehicle, so long as we do not use unreasonable force or cause damage; and
- 11.1.5.2. you must pay the charges and fees set out in the Tariff Guide, plus our reasonable legal and professional costs (to the extent not covered by the Tariff Guide).

11.2. Attended check-in of the Vehicle during opening hours

When you return the Vehicle to us you should take the opportunity to:

- 11.2.1. ensure you have removed all of your personal belongings (you are responsible for checking the Vehicle); and
- 11.2.2. inspect the Vehicle together with our agent and countersign the check-in document which includes a record of any new damage (from that described on the Rental Agreement at the time of pick up or which you notify us in accordance with the provisions of section 10.3). The procedure detailed in section 12.3 and 12.6 will then apply.

11.3. Unattended check-in of the Vehicle

If you wish to use our "out of hours" returns service (please refer to <https://www.europcar.co.uk/locations/uk> to check first that there is an out of hours returns service available at the particular Europcar location. Please note there may be a charge for this as set out in the Tariff Guide. Alternatively, if you are unable to or you refuse to inspect the Vehicle with us when you return it then we will inspect the Vehicle on our own and you accept that you are responsible for all charges, fees and

damage to or loss of the Vehicle which may have arisen before we have checked the Vehicle back in.

We recommend that, if possible and before you drop off the keys, you take photographs and/or video recordings of the Vehicle in its final parking place as evidence as to its condition at the time you returned it.

11.3.1. If, during our inspection, we discover new damage to the Vehicle (from that described on the Rental Agreement at the time of pick up or notified to us in accordance with the provisions of section 10.3) the procedure detailed in section 12.5 and 12.6 will then apply.

11.3.2. We shall not be responsible for any loss, theft or damage of any nature, related to any objects and/or belongings and/or tools that have been transported in or on, or that may be found in or on, the Vehicle.

12. DAMAGE TO THE VEHICLE

12.1. As set out in section 5 (*What are my obligations toward the Vehicle?*) and, in particular section 5.1, you are obliged to return the Vehicle, its keys, accessories and documentation to us in the same condition as they were at check out, subject to any fair wear and tear. **Under no circumstances should you attempt to repair the Vehicle yourself or arrange repairs with any third party.**

12.2. Our vehicles are working assets and, if you fail in any way to comply with the obligation set out in section 12.1 above:

12.2.1. we are entitled to repair the Vehicle at our convenience so that it is restored to this condition; and

12.2.2. you will be liable to pay the damage charges detailed in sections 12.8 to 12.15 inclusive (as appropriate to the damage), regardless of whether the damage was caused by you or a third party (including a third party with whom you have had an accident or a Government authority or organisation, whether in or outside the UK, which has seized the Vehicle and/or its keys, accessories, or documentation), **unless:**

12.2.2.1. any of the damage charges detailed in sections 12.8 to 12.15 inclusive are covered by our Protection packages, as described in section 26 of these T&Cs (Insurance and Protection Provisions) and the Tariff Guide or any other associated excess reduction products; or

12.2.2.2. it was caused by our fault or negligence or our breach of this Contract; or

12.2.2.3. we have received a payment from a liable third party, to the extent detailed in section 12.2.3.

12.2.3. Where you pay the damage charges as detailed in sections 12.8 to 12.15 inclusive and subsequently:

12.2.3.1. a third party admits, or is subsequently determined by a relevant court to be responsible for some or all of the damage; and

12.2.3.2. we recover sums from the third party or the third party insurer

we will assess whether we have recovered more than our overall loss and reimburse you, as appropriate.

Damage identified upon the return of the Vehicle and in your presence:

12.3. If Light Damage (as defined in section 12.8) is identified upon the return of the Vehicle when the inspection is made in your presence and in the presence of our agent or its representative and if you acknowledge the damage by signing the statement of return of the Vehicle, we will **EITHER:**

12.3.1 provide you with an invoice immediately detailing the applicable charges and, to the extent that the charges can be determined at the check-in, will charge the debit or credit card you supplied to us at the time of pick-up, with **EITHER:**

12.3.1.1 the charges detailed in sections 12.8 to 12.15 (as appropriate to the damage) inclusive; or

12.3.1.2 the Excess amount under our Protection packages,

whichever is the lower amount.

OR

12.3.2 refer the matter to our head office team who will assess the Light Damage identified and will determine the appropriate charge. This will be done in one of two ways: a) by reference to the Light Damage Charges Schedule; or b) by carrying out a desktop assessment using industry standard software to estimate damage costs. We will then send you an invoice for:

12.3.2.1 the charges detailed in sections 12.8 to 12.15 inclusive (as appropriate to the damage); or

12.3.2.2 the Excess amount under our Protection packages,

whichever is the lower amount.

12.4. If:

12.4.1 you contest either the damage and/or the invoice; or

12.4.2 if you refuse to sign the statement of return for the Vehicle; or

12.4.3 if the Vehicle qualifies as an unattended check-in, according to the requirements of section 11.3 above; or

12.4.4 for whatever reason, the charge cannot be determined at the time of check-in (for example, where there is no price for the specific damage in the Light Damage Charges Schedule),

then we will send you the documents outlined in section 12.5 and you have the option to follow the procedure in section 12.6 below.

Damage identified upon the return of the Vehicle and in your absence:

12.5. If damage is identified during the inspection of the Vehicle by us in your absence we will send to you the following documents by email or by post:

12.5.1. the statement of return for the Vehicle detailing all the damage we identified;

12.5.2. pictures of the damage; and

12.5.3. an invoice detailing the applicable charges.

Querying the Damage Charges:

12.6. You have fourteen (14) days from the date on which the email or the letter detailed in section 12.5 above is sent to you to challenge your liability for the damage identified and/or the charges levied by us. If you do not challenge within this period of fourteen (14) days, we will charge the debit or credit card you supplied to us at the time of pick-up with either:

12.6.1. the charges detailed in sections 12.8 to 12.15 inclusive; or

12.6.2. the Excess amount under our Protection packages,

whichever is the lower amount.

12.7. Please note that depending upon the type of Protection product you have subscribed to (see the *Europcar Insurance & Protections Provisions* under section 26) and provided you have complied with all applicable local laws and these T&Cs, you may not be charged for the full cost of the damage and the maximum amount you may be required to pay will be the Excess amount (as described in *Europcar Insurance & Protections Provisions* under section 26 of these T&Cs).

Damage Charges:

(1) Light Damage

12.8. We classify as '**Light Damage**' any damage suffered by the Vehicle during your Hire Period which, in our reasonable opinion, is minor damage and therefore does **not** necessarily require immediate repair for safety, mechanical or cosmetic reasons and is **not** fair wear and tear, as defined in clause 5.1.3. Light Damage will be charged to you either a) as listed in our Light Damage Charges Schedule; or b) by carrying out a desktop assessment using industry standard software to estimate damage costs.

12.8.1. Examples of Light Damage to the Vehicle include small scratches, chips or dents to any part of the Vehicle; or the loss of or damage to any non-essential accessories or documentation.

12.8.2. The Light Damage Charges Schedule contains a list of pre-agreed fixed sum charges broken down by the Vehicle type and the nature of the Light Damage. This schedule can be found attached to these T&Cs or on the Damage Management Policy page of our website at <https://www.europcar.co.uk/terms-and-conditions/damage-management-policy> or by clicking the link to the Damage Management Policy at the bottom of the website homepage.

12.8.3. The charges shown in the Light Damage Charges Schedule are set by us as an amount that seeks to genuinely estimate the sums that we would have to pay our suppliers if we did undertake to repair the Light Damage, based on industry standards (or to replace the Vehicle's non-essential accessories or documentation).

12.9. Notwithstanding your obligations to us under section 5 above if, in our reasonable opinion, we have assessed that the Vehicle has suffered Light Damage, this means we consider the Vehicle does not necessarily require immediate repair for safety, mechanical or cosmetic reasons before it can be rented to another customer. In these circumstances, subject to section 12.4 above, you will pay to us:

12.9.1. the pre-agreed fixed sum(s) set out in the Light Damage Charges Schedule **OR** the sum resulting from the desktop assessment;

12.9.2. the Light Damage Administration Charge which is set out in the Tariff Guide;

but you will not have to pay a **Loss of Use Charge** or an **Engineer's Charge**, both as further referred to in 12.11.2.

(2) Serious Damage

12.10. Subject to section 12.15, any damage other than **Light Damage** and/or **Damage to Tyres, Windscreen and Loss of or Damage to Essential Items** is classified as '**Serious Damage**'.

12.11. In relation to Serious Damage suffered by the Vehicle during your Hire Period you will:

12.11.1. pay us the sums we become liable to pay to our suppliers in recovering and/or repairing and/or cleaning the Vehicle, for which you will indemnify us as a debt; and

12.11.2. pay us the following charges:

12.11.2.1 a **Loss of Use Charge** which is a charge to take account of our loss of rental income while the Vehicle is being repaired and/or cleaned and/or an essential item is being replaced. We calculate the Loss of Use Charge on the basis of the daily rental rate set out in the Rental Agreement. The number of days charged by us for loss of use of the Vehicle will comprise:

12.11.2.1.1 one day for the Vehicle to be taken in for repair; and

12.11.2.1.2. one day for each period of four hours (or part thereof) of labour required by the relevant supplier to effect the repair; and

12.11.2.1.3 one day for the Vehicle to be returned to us and checked in following the repair;

12.11.2.2. an **Engineer's Charge** which is set out in the Tariff Guide; and

12.11.2.3. a **Serious Damage Administration Charge** which is set out in the Tariff Guide.

12.12. In relation to sections 12.8 to 12.11 inclusive::

12.12.1. where a repair or part replacement inevitably puts the Vehicle into a better condition than it was at the start of the Hire Period, the amount for which you are liable to us will not be reduced to reflect the new for old replacement and/or the pre-existing condition of the Vehicle; and

12.12.2. you will not receive any credit to reflect the benefit that we may subsequently receive in the context of any commercial arrangements that we may have in place with our suppliers because of our overall relationship with them.

(3) Damage to Tyres, Windscreen and Loss of or Damage to Essential Items

12.13 Any loss of or damage to the tyres and/or windscreen of the Vehicle or the Essential Items during your Hire Period which, in our reasonable opinion, is minor damage but **does** require immediate repair for mechanical, safety or cosmetic reasons, we classify as '**Damage to Tyres, Windscreen and Loss of or Damage to Essential Items**'.

12.13.1 Loss of or Damage to Essential Items

Examples of Essential Items include, but are not limited to, keys and/or entry cards, charging cables for electric vehicles, number plates, windscreen wiper blades and seatbelts.

12.13.2 In relation to **Loss of or Damage to Essential Items** suffered by the Vehicle during your Hire Period you will:

12.13.2.1 pay us the sums we become liable to pay to our suppliers in repairing and/or replacing the lost essential items, for which you will indemnify us as a debt; and

12.13.2.2 pay us the following charges:

12.13.1.2.1 a **Loss of Use Charge** which is a charge to take account of our loss of rental income while the Vehicle is being repaired and/or cleaned and/or whilst the lost items are replaced, capped at one day's rental income; and

12.13.1.2.2 a **Tyres, Windscreen and Essential Items Damage Administration Charge** which is set out in the Tariff Guide.

12.13.2.3 You will not be required to pay an Engineer's Fee for **Loss of or Damage to Essential Items**.

12.13.3 Tyre Replacement or Repair

12.13.3.1 Any damage to a tyre which requires us to replace the tyre on the Vehicle with a new tyre is classified as a '**Tyre Replacement**'. If a Vehicle's tyre is punctured and is capable of being repaired then it is classified as a '**Tyre Repair**';

12.13.3.2. In relation to a Tyre Replacement or a Tyre Repair you will pay us the sum(s) for which we become liable to pay to our suppliers for:

12.13.3.2.1. the Replacement Tyre or the Tyre Repair (whichever applies) and any associated supplementary charges that may apply (if any); and

12.13.3.2.2. the cost to call us out if you require attendance for a Replacement Tyre or a Tyre Repair outside of our standard response time (an '**Emergency Call Out**'). Charges for an Emergency Call Out are set out in the Tariff Guide; and

12.13.3.2.3. a **Tyres, Windscreen and Essential Items Damage Administration Charge** as set out in section of the Tariff Guide; and

12.13.3.2.4 a **Loss of Use Charge**, in accordance with the provisions of section 12.11.2.1 but capped at one day's rental rate, if the Tyre is Replaced or Repaired.

12.13.3.3 You will not be required to pay an Engineer's Fee for a Tyre Replacement or Repair.

12.14. Windscreen Replacement or Repair

12.14.1 Any damage to a windscreen which requires us to replace it with a new windscreen is classified as a '**Windscreen Replacement**'. If a Vehicle's windscreen is chipped or is damaged, in excess of the limits of fair wear and tear, but is capable of being repaired (this will depend on the severity of the damage) then it is classified as a '**Windscreen Repair**' and deemed to be Light Damage.

12.14.2 A Windscreen Repair will be charged at the cost we become liable to pay to our suppliers for carrying out the repair, plus the Light Damage Administration Charge, which is set out in the Tariff Guide.

12.14.3 You will not have to pay a **Loss of Use Charge** or an **Engineer's Charge**, both as further referred to in 12.11.2, in respect of a Windscreen Repair.

12.14.4 In relation to a Windscreen Replacement, you will pay us the sum(s) for which we become liable to pay our suppliers for:

12.14.4.1. the Replacement Windscreen and any associated supplementary charges that may apply (if any); and

12.14.4.2. the cost to call us out if you require attendance for a Windscreen Replacement outside of our standard response time (an '**Emergency Call Out**'). Charges for an Emergency Call Out are set out in the Tariff Guide; and

12.14.4.2. a **Tyres, Windscreen and Essential Items Damage Administration Charge**, as set out in the Tariff Guide; and

12.14.4.3. a **Loss of Use Charge**, in accordance with the provisions of section 12.11.2.1 but capped at one day's rental rate, if the Windscreen is Replaced.

12.14.5. You will not be required to pay an Engineer's Fee for a Windscreen Replacement or Repair.

12.14.6 In relation to sections 12.13 to 12.14 inclusive:

12.14.6.1 where a repair or part replacement puts the Vehicle into a better condition than it was at the start of the Hire Period, the amount for which you are liable to us will not be reduced to reflect the new for old

replacement and/or the pre-existing condition of the Vehicle; and

12.14.6.2 you will not receive any credit to reflect the benefit that we may subsequently receive in the context of any commercial arrangements that we may have in place with our suppliers because of our overall relationship with them.

(4) Total Loss

12.15. Where we evaluate any damage caused to the Vehicle as being sufficiently serious that its repair would not be possible, or our Engineer determines it would be uneconomic or impractical to repair, we refer to this as '**Total Loss**'. In the event of a Total Loss, sections 12.10 to 12.14 inclusive do not apply, and you will pay us:

12.15.1. the sums (for which you will indemnify us as a debt) representing the pre-accident value of the Vehicle and any Vehicle recovery charges, less any sums that we recover in respect of the Vehicle when it is sold for salvage; and

12.15.2. a **Loss of Use Charge**, which is a charge to take account of our loss of rental income in respect of the Vehicle which is a Total Loss. We calculate the Loss of Use Charge on the basis of the daily rental rate set out in the Rental Agreement, adjusted to acknowledge the fact that the number of Vehicles we have available for hire to customers generally when the repair takes place will have an impact on our rental income. The charge is payable in respect of each day, or part day, after the end of the Hire Period up to the point that the Vehicle is sold for salvage; and

12.15.3. an Engineer's Charge, as set out in the Tariff Guide); and

12.15.4. a Serious Damage Administration Charge, as set out in the Tariff Guide.

(5) Damage to Third Parties

12.16. Please refer to sections 14.2.4 and 26.3 for more details concerning your obligations to us and your potential liability to third parties.

(6) Seizure of the Vehicle

12.17. If, after check-out of the Vehicle, the Vehicle and/or its keys, accessories, or documentation are seized by any Government, authority or organisation whether in or outside the UK, you must pay:

12.17.1. for any damage suffered by the Vehicle and/or its keys, accessories, or documentation in accordance with sections 12.8 to 12.15 inclusive; and

12.17.2. the cost of any restoration or repatriation charges we incur, together with any penalties or fines arising as a direct result of the Vehicle's seizure; and

12.17.3. a Loss of Use Charge to take account of our loss of rental income while we cannot rent the Vehicle out to another customer (which will be calculated on the basis of the daily rental rate set out in the Rental Agreement for each day (or part of a day) in excess of the Hire Period and until the Vehicle is checked in by us as returned)

unless these damages or costs or Loss of Use Charges are due to our fault or negligence or our breach of this Contract.

13. WHAT IS EXPECTED OF ME REGARDING THE VEHICLE MAINTENANCE?

Throughout the Hire Period we will expect you to look after the Vehicle, the keys and any accessories against loss or damage (however that arises). If you fail to do so then you will be responsible to pay the sums set out in section 12 above.

13.1. Save for customary inspections such as oil and water levels; coolant; windscreen washer fluid levels and tyre pressures and tread depths that should be regularly checked during normal use of the Vehicle to keep it in good working order, neither you nor anyone else is allowed to work on the Vehicle or make any modifications to it without our prior written consent. If consent is required for work to be undertaken on the Vehicle and we give such consent, we will only refund you for the work upon receipt of a valid and lawful invoice. If damage is caused to the Vehicle you will be liable to pay the sums set out in section 12 above.

13.2. The Vehicle is provided to you with tyres in a condition and number that meets with the traffic-legislation requirements of the UK. In the event of damage to any one of the tyres (other than by ordinary wear and tear or latent defect), whilst we will immediately arrange to replace it, you will be liable to pay the sums set out in section 12 above.

13.3. If the Vehicle is electric, you must only use the cables we supply for recharging. If you use any other cable, you will be responsible for any damage that may arise. If you are provided with an additional charging socket that runs to a domestic socket, you must ensure the electrical installation you are using complies with any relevant standards in force and any requirements of the Vehicle manufacturer, otherwise you will be liable for any damage that arises.

14. WHAT SHOULD I DO IN CASE OF ACCIDENT, MECHANICAL BREAKDOWN OR THEFT?

14.1. In case of breakdown in Mainland UK or Northern Ireland (the "Territory")

14.1.1. If a warning light appears on the dashboard or the Vehicle develops any fault during the Hire Period you or any other Driver must call the telephone number stated on the notice affixed to the lower left hand side of the Vehicle's windscreen for assistance.

14.1.2. If the Vehicle breaks down or is involved in an accident/incident in the Territory during the Hire Period we will, as soon as possible, recover and repair the Vehicle so that it is rendered functional.

14.1.2.1. If the Vehicle cannot be repaired, we will (where possible) provide you with an alternative Vehicle of an equivalent standard and size to the Vehicle for the remainder of the Hire Period.

14.1.2.2. If we cannot repair the Vehicle or provide you with an alternative vehicle, we will provide you with a refund for any part of the Hire Period that you have paid for but not received the benefit of.

14.1.3. If the breakdown or accident or incident is due to our negligence or wilful default then we will not charge you for the recovery and/or repair (if any).

Should we consider that the breakdown is caused by the negligence or deliberate misuse or if loss of or damage to the Vehicle arises as a result of a breach of the Contract by you and/or any Referred Driver or additional Driver and/or any unauthorised driver then you will be liable to pay the sums set out in section 12 above and your liability will not be capped at the Excess amount. We may (at our discretion) accept payment from your insurer (only if applicable (see section 9.2.2 above)) but ultimate responsibility will be with you.

14.2 In case of an accident or incident in Mainland UK or Northern Ireland (the "Territory")

14.2.1. If there is an accident/incident in the Territory you or any authorised driver or Referred Driver must tell us immediately on 0800 0280 999. If you don't do so, or you continue to use the Vehicle, then you are responsible for any loss and/or damage caused to the Vehicle or a third party resulting from the accident or incident and/or from the continuing use of the Vehicle, as well as all applicable charges set out in the Tariff Guide.

14.2.2. Should we consider that the accident or incident is caused by the negligence, deliberate misuse or a breach of the Contract by you and/or any Referred Driver or additional Driver and/or any unauthorised driver and/or our collision damage waiver does not apply or is invalidated as a result of an act or omission (please see the Insurance and Protection provisions set out in section 26 below for further information as to when our collision damage waiver applies and when it is invalidated) then we reserve the right to recharge the cost of recovery in full to you and you will be liable to pay the sums set out in section 12 above.

14.2.3. If you or any other Driver has an accident/incident you or that other Driver must:

14.2.3.1. pay the relevant charges as required by these Terms and Conditions;

14.2.3.2. not admit or accept responsibility;

14.2.3.3. obtain and notify us of the names and addresses of all involved, including witnesses;

14.2.3.4. make the Vehicle secure and tell the police straight away if anyone is injured or the road is blocked or if any property has been damaged;

14.2.3.5. tell us of the accident or incident on 0800 0280 999;

14.2.3.6. complete and return the accident report form that we will supply if required.

For further details please see the 'Guide to a Smooth Journey' on <http://www.europcar.co.uk> at the foot of the Home page.

14.2.4. You will use your best endeavours to supply us with full details of any third party(ies) and third party vehicle(s) involved in any accident/incident with the Vehicle. Failure to do so may invalidate the Protection package and/or any excess reduction products (if applicable to your rental).

14.2.5. You will, at our request, do all that is reasonably and lawfully required by us or any provider of any other product that you opt to take and allow your name and the name of any Driver or Referred Driver to be used by us (or any provider of the product) for enforcing any rights or remedies against any persons in connection with the Vehicle.

14.2.6. We will not (either on our own behalf or on behalf of any insurers) waive any rights under the Contract or any applicable insurance policy unless we do so in writing (which must be signed by us or the insurer as applicable).

14.3. In case of breakdown, accident or incident when driving outside of the UK or Northern Ireland

Full details of our overseas partners in the different countries are set out in the brochure supplied with the Eurodrive and/or Cross Border packs (whichever applies). The telephone number shown in sections 14.1 and 14.2 above applies only in cases of breakdown, accidents or incidents occurring in the UK and Northern Ireland (i.e., in the "Territory") and they will be unable to help you if you have a breakdown, accident or incident whilst you are driving outside of the Territory (please refer to section 3 above). You should ensure you have purchased the Eurodrive and/or Cross Border pack before you take your Vehicle outside of the UK or Northern Ireland.

14.4. In case of theft in all locations

If the Vehicle is stolen, this must be reported immediately by you to the police, a crime reference number or equivalent obtained and you must contact us as soon as possible on 0800 0280 999 or, if you are outside the UK, the number given in your Eurodrive pack. Any further steps, such as returning keys and documentation to us or paperwork to be completed will then be explained to you. See section 8.2.1 for details of the associated charges and section 26.5 for details of the theft waiver that may be applicable.

14.5. Cooperation with our Insurers/Claims Handlers

Where a matter is being dealt with by our insurers or their appointed claims handlers, it is vital that you and any additional drivers act in accordance with their instructions (which includes, but is not limited to, the provision of a signed statement) as failure to do so may lead to the insurer refusing to indemnify you and pursuing you personally for recovery of any third party losses. Please note this provision applies even if you have taken out premium or medium cover.

15. WHEN SHALL I RECEIVE MY INVOICE AND PAY FOR THE RENTAL?

You will receive a final invoice once all elements of your rental have been settled. You will pay or be charged the full amount in one or in several lots as agreed between us.

- 15.1. If you book a Vehicle online:
- 15.1.1. You may decide to prepay for your booking, for example, the daily rental charge of the Vehicle, and accessories for the Hire Period, and for any additional services or products. Your means of payment will be debited by the agreed amount but you will not receive an invoice for that prepayment as the confirmation email will be deemed the receipt for this. Once you have returned the Vehicle to us then we will establish whether any additional fees or charges apply and will supply an invoice to show the full charge for the Hire Period. This invoice will be sent to you via email.
- 15.1.2. If you decide not to prepay for your booking, you will be charged at the time you pick up your Vehicle (or shortly before it is delivered to you, if applicable) for the amount of the rental charges for the Vehicle, plus the deposit and for any accessories or additional services or products or additional Drivers or protections you decide to take out before you take the Vehicle away. The cost for this will be shown on the Rental Agreement and will be agreed with you before you sign the document. Any additional fees or charges will be charged, if applicable, when you return the Vehicle (if they can be calculated at that time) and we will supply an invoice to show the entire cost of the Hire Period. This invoice will be sent to you via email.
- 15.1.3. If you have incurred extra costs, such as fines or tolls or refuelling charges or you have caused damage to and/or loss of the Vehicle and/or accessories, then we will charge you at a later date for such costs, together with any Third Party Administration Charges if we become aware of them after the Hire Period has terminated.

16. WHAT IF I WANT TO CANCEL OR MODIFY MY BOOKING?

16.1. Modification

- 16.1.1. You can modify your booking free of charge provided you let us know **at least 48 hours before** the Hire Period is due to start. Please be aware that new rental prices, delivery or collection times may apply and other aspects of your rental may change if you modify your booking. Wherever possible you should use the same communication channel that you used when booking the Vehicle. Alternatively, you can call our Call Centre on 0871 384 1087 (calls will cost 10 pence per-minute plus your phone company's access charge). We will let you know if the modification to your booking is possible. If it is possible, we will tell you about any changes to the rental which would be necessary as a result of your requested modification and ask you to confirm whether you

wish to go ahead with the modification to your booking.

- 16.1.2. We will charge you a Reservation Amendment (or Modification) Charge as set out in the Tariff Guide each time you amend any details of your booking and you give us less than 48 hours' notice before the Hire Period is due to start or for any modifications that you wish to make once the Hire Period has started.

16.2. Late Cancellation & No Show

You can cancel your rental free of charge provided that you have given us **at least 48 hours' notice before the Hire Period is due to start**. Wherever possible you should use the same communication channel to cancel your rental as you used when booking the Vehicle. Alternatively, you can contact our Call Centre on 0871 384 1087 (calls will cost 10 pence per-minute, plus your phone company's access charge), to cancel the rental.

16.2.1. Prepaid Rentals

If you have prepaid for your booking online via our direct booking channels:

- 16.2.1.1. *Late Cancellation:* If you cancel giving us less than 48 hours' notice then the prepaid amount may be refunded, less a Cancellation Charge at the rate shown in the Tariff Guide.
- 16.2.1.2. *No Show:* If you have not cancelled your reservation and you fail to pick up the Vehicle then your prepayment may be refunded less a No Show Charge at the rate shown in the Tariff Guide.
- 16.2.1.3. If we cancel or fail to cancel the booking you will be fully reimbursed for any sums that you have paid to us for the booking.

16.2.2. Pay on arrival rentals

You can lodge your credit or debit card details with us and we will guarantee your Vehicle until close of business on the day your rental is due to start.

- 16.2.2.1. *Late Cancellation:* if you use this facility to guarantee your reservation and you don't give us 48 hours' notice to cancel before the rental start time then you agree that we may charge the Cancellation Charge set out in the Tariff Guide against that credit or debit card to reflect the fact that we held the Vehicle for you without any rental transaction ultimately taking place.
- 16.2.2.2. *No Show:* if you use this facility to guarantee your reservation and you don't pick up the Vehicle on the day then you agree that we may charge the No Show Charge set out in the Tariff Guide against that credit or debit card to reflect the fact that we held the Vehicle for you without any rental transaction ultimately taking place.
- 16.2.2.3. If you don't use this facility to guarantee your reservation and have therefore not supplied any credit or debit card details

and you either don't give us 48 hours' notice to cancel before the rental start time or you don't pick up the Vehicle on the day then you may remain liable for the Cancellation Charge or the No Show Charge set out in the Tariff Guide (whichever applies in the circumstances).

17. WHAT IF I WANT TO EXTEND MY HIRE PERIOD?

In case you want to extend the Hire Period shown on your Rental Agreement you must contact us at least 2 working hours before the end of the Hire Period or any previously agreed extension.

- 17.1. If we agree to extend the Hire Period you must pay us an Extension Charge (at the rate shown in the Tariff Guide) before the end of the Hire Period.
- 17.2. If such an extension means that the Hire Period will exceed a period of 84 days then you must:
 - 17.2.1. return the Vehicle to the Europcar Branch where you picked it up and pay any outstanding amounts due; and
 - 17.2.2. negotiate the hire of a new vehicle and enter into a new Rental Agreement with us.
- 17.3. If you do not contact us in time, or do not pay the Extension Charge, then, we will charge you the daily charge for each day (or part day) that you keep the Vehicle beyond the end of the Hire Period *plus* an Unauthorised Extension Charge (as set out in the Tariff Guide). If we consider it to be appropriate then we will also have the right, without prior notice, to take any legal action necessary to effect the immediate return of the Vehicle. Please note that unless we expressly agree to the extension you will no longer be insured to drive the Vehicle.
- 17.4. The cost for both the Extension Charge and the Unauthorised Extension Charge can be found in the Tariff Guide. If you are a Referred Driver then, unless agreed otherwise, you will be responsible for all charges during the extended Hire Period.

18. WHAT IS THE FUEL POLICY?

- 18.1. The rules applicable to fuelling and refuelling of a Vehicle depend on whether the Vehicle uses petrol, diesel or hybrid fuel **or** whether it is an electric or plug-in hybrid vehicle. The rules for each of the two categories are set out below. In addition, if the Vehicle uses petrol, diesel or hybrid fuel, you should check which option you have selected. Please ask our Branch staff for further details when you collect the Vehicle.

PETROL/DIESEL/HYBRID FUEL

- 18.2. All Vehicles are supplied with a full tank of fuel (less any used in relation to delivery/collection miles). The following two options may then be made available to you:
 - 18.2.1. **Full Tank Option**
 - 18.2.1.1. At pick up we will request a pre-authorisation against your credit or debit card for the cost of a full tank of fuel, as well as the deposit (see

section 19.1 below). The cost of the tank of fuel will depend on the Vehicle type and engine size.

- 18.2.1.2. If you return the Vehicle to us full of fuel then we will not process the pre-authorisation for the full tank of fuel.
- 18.2.1.3. If you return the Vehicle with a fuel tank that is not full to its maximum capacity, we will process the pre-authorisation for the full cost of a tank of fuel, regardless of the level shown on the fuel gauge.
- 18.2.2. **Full to Full Option**
 - 18.2.2.1. We provide you with a Vehicle with a full tank of fuel.
 - 18.2.2.2. If you return the Vehicle with a full tank of fuel, you pay nothing.
 - 18.2.2.3. If you have taken up this full to full option and the Vehicle is not returned with a full tank of fuel, you will be charged for the missing fuel according to the refuelling rules set out in section 18.2.3 below and in the Tariff Guide. You agree that the total amount we charge you represents the reasonable cost to us arising from your failure to return the Vehicle to us with a full tank of fuel.

18.2.3. Refuelling Rules

- 18.2.3.1. If you have taken up the full to full option and the Vehicle is not returned with a full tank of fuel, you will be charged for the missing fuel. The cost of the missing fuel is calculated as follows:

(Pump price per litre x 2.5)* x Number of litres of fuel required to refill the tank to its maximum capacity

* An estimate of this price is shown on your Rental Agreement.
- 18.2.3.2. The number of litres of fuel required to refill the tank to its maximum capacity is measured as follows:
 - 18.2.3.2.1. If you are present when the Vehicle is checked in or collected, we will examine the fuel gauge and use the reading, multiplied by the Vehicle's fuel tank capacity, to calculate the missing litres.
 - 18.2.3.2.2. If you are not present when the Vehicle is checked in or collected, we will refill the Vehicle and charge you based on the number of litres of fuel we added to refill the tank to its maximum capacity.

ELECTRIC/PLUG-IN HYBRID VEHICLES

- 18.3. Electric Vehicles will be supplied with a minimum of 50% charge (although we will aim to supply with 80% charge, where possible) and must be returned, or made available for collection, with a minimum of 20% charge.
- 18.4. Plug-in Hybrid Vehicles will be supplied with a full tank of fuel, with no minimum charge of. When the Vehicle is returned, or made available for collection, the fuel should be in accordance with section 18.2 above, but there is no minimum charge level required.

- 18.5 If an Electric Vehicle is returned, or made available for collection, with less than 20% charge, we reserve the right to charge you our reasonable costs associated with recharging and collecting the Vehicle. These may include public charge point charging costs, costs associated with the additional time required to charge the Vehicle at public charging points to enable it to be returned to the station and, where the Vehicle has insufficient charge to enable it to be driven to a public charging point, the costs of transporting the Vehicle back to the station. We reserve the right to recover the Vehicle in a way that we deem appropriate in our sole opinion, acting reasonably and in good faith.

19. MUST I PAY A DEPOSIT BEFORE PICKING UP THE VEHICLE?

As detailed in section 9 (*What are the other fees/ charges I may have to pay?*) you will be required to provide a security deposit when you pick up the Vehicle. The amount of the deposit is shown on the confirmation email sent to you at the time of your booking. You can review our deposit policy at the following address on our website

<https://www.europcar.co.uk/terms-and-conditions/deposit-policy>

- 19.1. You can pay the deposit by debit card or credit card and we've set out below what will happen for each payment method. If you have prepaid your daily rental charges we will need to see the card that you used for the prepayment before we release the Vehicle to you but you can pay for your deposit using a different payment method if you wish.

Credit cards: we will request an electronic authorisation from the issuing bank to ring-fence the deposit value against the card but not actually withdraw the funds. The available credit on the card will be reduced by the deposit value but the amount will not appear on your monthly statement. Provided there are no extra charges and/or fees to pay when you return the Vehicle to us at the end of the Hire Period and it has been checked-in then the deposit amount will be released;

Debit cards: we will request an electronic pre-authorisation from your bank to ring-fence the deposit value against your debit card account. Whilst we do not physically withdraw the money at this stage you must have sufficient funds in your bank account to cover the deposit. Please note that the funds available to you in your bank account will be reduced by the pre-authorised amount so you should ensure that other payments you may need to make from this account will not be compromised as a result. Provided there are no extra charges and/or fees to pay when you return the Vehicle to us at the end of the Hire Period and it has been checked in then the deposit amount will be released. This release may be reflected as a change to the available balance or a reversal of the pre-authorised amount.

- 19.2. You agree that at any time during or after the Hire Period any and all additional charges that may arise under the Contract or related to your rental of the Vehicle (except for those that relate to damage to the Vehicle) can be offset against your deposit and, where there is no deposit or the deposit is insufficient, that we can apply such charges (i.e.

the full amount or the difference between the amount we are entitled to and any deposit) to the credit or debit card presented by you before entering into the Contract or we can issue an invoice to you for those sums that will be payable within 14 days of the date of the invoice.

- 19.3. If there are no additional charges that need to be paid for when you return the Vehicle to us at the end of the Hire Period then the deposit value will be released to your credit card or refunded in full to your debit card (whichever applies to the method of payment you used to provide the deposit at the start of the Hire Period). Please note that it may take up to 10 working days for the deposit monies to be available in your credit or debit card account depending on your bank or card provider.

20. CAN I PAY MY RENTAL WITH A FOREIGN CREDIT CARD?

- 20.1. If your payment card was issued in a country outside of the UK then, when you come to collect the Vehicle, we will ask you to choose whether you wish to pay either in pounds sterling (GBP) or to pay in your credit card's base currency (credit card billing currency). We will record the choice you make at the time of pick-up.

- 20.2. If, when you return the Vehicle to us, you decide you would like to change the payment currency then it can be done provided you ask for the change before we calculate and print the final invoice. Once the invoice is produced it will be too late and whatever currency you chose at the time of pick up will apply.

- 20.3. If you wish to make payment in the credit card billing currency then the invoiced amount will be converted at the exchange rate determined by UBS and Credit Suisse on the day of payment. You will also be charged commission on the exchange at 3.25%.

- 20.4. Any delayed or amended charges (for example if we receive any traffic penalties or parking charges after you have returned the Vehicle) will be made in the currency you chose for your Hire Period and using the exchange rate applicable on the day they are processed.

If for whatever reason the conversion cannot be processed by Europcar the transaction will be submitted in GBP.

21. HOW IS EUROPCAR PROTECTING AND USING MY PERSONAL INFORMATION?

- 21.1. We collect and process your personal information to enable us to provide our services to you including the provision of Vehicle rental services. This personal information is collected strictly in accordance with the requirements of the Data Protection Act. Please see our Privacy Policy for further details.

22. ARE THE VEHICLES EQUIPPED AND CONNECTED WITH A GEOLOCATION SYSTEM?

- 22.1. We may use electronic equipment installed in the Vehicle for the following purposes:
- 22.1.1. to manage the rental journey (delivery, collection, vehicle maintenance, billing etc);
 - 22.1.2. to identify and prevent crime and fraud;
 - 22.1.3. ensure that obligations under the Rental Agreement are met (e.g. if the Vehicle is not returned at the end of the Hire Period, or if the Vehicle is used outside of the authorised geographical area, such as crossing the border between Northern Ireland and the Irish Republic);
 - 22.1.4. to detect, verify and investigate accidents and damage to the Vehicle;
 - 22.1.5. to assist us in managing our fleet (such as monitoring the vehicle condition, mileage, fuel level, operational and diagnostic data, collision alerts etc).
- 22.2. This information can be used both during and after the end of the Hire Period. For further information about our connected vehicle data processing, please see our dedicated privacy policy <https://www.europcar.com/files/live/sites/erc/files/connected-car/privacy-policy.pdf>
- 22.3. Under no circumstances should you disconnect the electronic equipment installed in the Vehicle. In the event of disconnection and/or non-return of the equipment, we may charge you additional fees as set out in the Tariff Guide.

23. WHAT HAPPENS IN CASE OF A DISPUTE RELATED TO MY RENTAL?

23.1. Our Liability

- 23.1.1. We will be responsible for personal injury or death that is caused by our negligence.
- 23.1.2. You accept that in certain circumstances it will not be possible to provide you with a Vehicle or to provide you with the Services you have reserved. In such circumstances or if we are in breach of this Contract, you agree that our maximum liability for any losses (including any loss of profits, loss of business, business interruption or loss of business opportunity) in contract or tort will be limited to the value of the Vehicle hire and/or any ancillary services you reserved during the booking process.

23.2. Customer Service

- 23.2.1. Wherever your rental took place, you can choose to consult with the Customer Services department in your country of residence. Your Customer Services team will contact the country of your rental on your behalf and try to resolve your query.
- 23.2.2. You can contact the UK Customer Services team:
- 23.2.2.1. by phone on **0371 384 0235** (which will be charged at the standard landline rate (or similar) but other networks will vary depending on your service provider); or

However, if for example, you are an English citizen and you hired a Vehicle whilst in Germany then your rental will be subject to German law.

23.4. Circumstances Beyond our Control

25. GENERAL

25.1. Animal Policy

- 25.1.1. We do not allow any animals other than assistance dogs ('Assistance Dogs') to be transported in our Vehicles.
- 25.1.2. We do not supply dog guards or any other form of animal restraint for our Vehicles. If you are travelling with an Assistance Dog you are therefore responsible at all times for its behaviour, safety and well-being. This responsibility includes ensuring that the Assistance Dog is suitably restrained at all times so that it remains safe and it does not distract the Driver, or cause risk or injury to you or any other passengers sharing the Vehicle with you.
- 25.1.3. We do not under any circumstances accept liability for damage suffered by the Vehicle or for injury caused to the Assistance Dog or to you or the Driver or to any passengers as a result of your failure to keep the Assistance Dog appropriately restrained and/or controlled.
- 25.1.4. In addition you are required to return the Vehicle to us in the same condition as it was at the start of the Hire Period (fair wear and tear excepted). If it is returned to us in a dirty or messy and/or damaged condition to the extent that it will require specialist cleaning and/or repair before it can be rented to the next customer then you will be liable for the valet or special cleaning charge described in sections 9.3.2 above and for any Light Damage or Serious Damage repairs (if appropriate) as described in sections 12.8 and 12.10 above.

25.2. Notifications

All notifications that need to be served on either you or us in regard to your Rental Agreement will be sent to the address indicated in the Rental Agreement unless either of us notifies the other party to the contrary.

25.3. Ending the Rental Agreement Early

- 25.3.1. If you breach the the Contract, we reserve the right to cancel the Contract and require the immediate return of the Vehicle. This includes, but is not limited to:

- 25.3.1.1. failing to make a payment or a payment fails to clear in relation to the Contract or consistent and repeated late payment of any charges payable under the Contract. Please note that where any sums remain outstanding in relation to any other Contract or Rental Agreement you have or have had with us previously, we reserve the right to cancel this Contract where payment of such sums is not made on demand;
- 25.3.1.2. failing to comply with any of the obligations listed in section 5;
- 25.3.1.3. if we believe you are no longer in possession or control of the Vehicle or its keys;
- 25.3.1.4. if you have incurred successive penalties such as, but not limited to, parking, congestion or bus lane fines;
- 25.3.1.5. the Vehicle is involved in an accident and it is appropriate to end the hire or you have failed to cooperate with the insurer or their appointed claims handler;
- 25.3.1.6. the Vehicle has been deliberately or recklessly damaged by yourself or a third party, other than as the result of a genuine accident;
- 25.3.1.7. we have grounds to believe the Vehicle is at risk.
- 25.3.2. Should you fail to return the Vehicle when requested, we will treat it as stolen and initiate our Vehicle recovery process, which will include reporting the matter to the police. We will take all lawful means to recover the Vehicle (which may include repossessing it or applying for a Court Order requiring you to return it and/or pay us an amount equal to the Vehicle's market value). If we have to take such steps then:
- 25.3.1.1. you give us permission (and cannot withdraw it) to access your premises for the purposes of repossessing the Vehicle so long as we do not use unreasonable force or cause damage; and
- 25.3.1.2. you must pay the charges and fees set out in the Tariff Guide, plus our reasonable legal and professional costs (to the extent not covered by the Tariff Guide).
- 25.3.2. If you are a consumer, we may end the Contract immediately if we discover that any of your belongings have been taken away from you to pay off your debts, or a receiving order has been made against you or steps have been taken to make you bankrupt or for you to enter into an individual voluntary arrangement.
- 25.3.3. If you are a company, we may end the Contract immediately if you go into any form of insolvency or you call a meeting of creditors or we discover that any of your goods have been taken away from you to pay off your debts or receive adverse information or fraudulent financial information.
- 25.3.4. If we enter into any form of insolvency process then we will be entitled to immediately end the Contract and require the immediate return of the Vehicle.

- 25.3.5. If you are ending the Contract for one of the reasons set out below, the Contract will end immediately and we will refund you in full for any Vehicle which has not been provided or has not been provided properly. The reasons are:
- 25.3.5.1. we have told you about an error or a change in the price or description of the Vehicle you have booked and you do not wish to proceed;
- 25.3.5.2. we have suspended hire of the Vehicle for technical reasons, or notified you we are going to suspend hire of the Vehicle for technical reasons, in each case for a period of more than 14 days without providing a suitable alternative vehicle to replace the (suspended) Vehicle for the remainder of the Hire Period; or
- 25.3.5.3. you have a legal right to end the Contract because of something we have done wrong.
- 25.3.6. If the Contract ends it will not affect our rights under the Contract, including the right to receive and/or claim any amounts which you owe to us under the Contract.
- 25.3.7. If you end the Contract after the Vehicle is delivered to you, you must return the Vehicle to us. If you are ending the Contract because we have told you of an error or change in pricing or description or because you are exercising your legal rights to end the Contract because of something we have done wrong then we will pay the costs of return.

26. INSURANCE AND PROTECTION PROVISIONS

- 26.1. This section 26 summarises the protection and insurance products we offer that are designed to cover your potential financial exposure if any of the following circumstances occur whilst you are renting and using one of our Vehicles. Without them, you will be personally responsible for the financial consequences:
- 26.1.1. **Liability to a Third Party** which means **other people's** bodily injury or death and/or damage to their property that occurs because of an accident or incident that you may cause.
- 26.1.1.1. Damage to a third party's property could include a third party's vehicle and its contents, buildings or their contents, machinery or personal possessions.
- 26.1.1.2. The cost of any business interruption associated with either the third party's injury or death and/or the damage to their property will also form part of this liability.
- 26.1.2. **Damage to or theft of the Vehicle.** This may be a result of a collision or an attempted theft and need to be repaired or it may be so badly damaged that it is irreparable and we write it off; or it may be stolen and not recovered.
- 26.1.3. If you are the driver of the Vehicle at the time of a collision and you are responsible for the collision

taking place then whilst any injured Passengers may be covered by our Third Party Liability insurance, your own death or injuries, together with the possible associated consequences of it, will not. You can, however, be protected from such circumstances if you purchase our Personal Accident protection separately. Details of how this Personal Accident protection can benefit both you and your Passengers are available under section 26.7 below.

26.2. Definitions

For the purposes of these Insurance and Protection provisions we have given the following words or expressions a particular meaning:

Abnormal use: means that your use of the Vehicle whilst you are in charge of it doesn't comply with the Road Traffic laws that prevail and/or does not meet with the requirements of these T&Cs and/or does not meet with the standards of driving that would be expected of a reasonable and prudent driver

Accident Report means a full and complete signed statement (including any other document(s)) which records all of the facts of an accident or incident as they occurred. For example, how the event occurred, the nature of the damage to the Vehicle, the location where the incident took place, the dates and circumstances and any potential witness details

Basic Protection means our standard protection products of collision damage (or damage liability) waiver and theft waiver covers that are included in rentals, unless you opted for a rate exclusive of Basic Protection when booking your rental (where available - see clause 9.2). If Basic Protection is included in the rental charge then, as long as you have complied with these T&Cs and have not committed a breach of any applicable laws, your financial liability for the total charge for damage resulting from an accident or incident or the theft or attempted theft of a Vehicle will be no more than the Excess amount

Bodily Injury (or bodily injury) means any physical injury or psychological damage suffered by a person that is caused as the direct result of an accident; it is not something that is intentionally self-inflicted and it does not result from sickness or disease

Book value: means the value of the Vehicle calculated by an industry recognised system which provides a figure that is the difference between the retail value and the trade value of the Vehicle at the time of the incident.

Collision (or collision) means the impact of the Vehicle with another fixed or moving body or object

Excess amount is a specified sum of money that, provided you have complied with these T&Cs and have not committed a breach of any applicable laws, is the maximum amount we will charge you for the damage caused to the Vehicle as a result of a collision or its attempted theft during the Hire Period; or the loss of a Vehicle if it is written off because it is irreparable or if it is stolen and we do not get it back. The Excess amount is a non-waivable sum that is governed by the conditions of the Protection product you have purchased.

Hire Period means the period of time you wish to rent the Vehicle from us. This is specified on the rental agreement and will not exceed 84 days

Loss of Use is a charge to take account of our loss of revenue: (i) while the Vehicle is being repaired or while it has been seized; or (ii) on a Vehicle which is a Total Loss (as described in section 12). We calculate Loss of Use on the basis of the daily rental rate set out in the Rental Agreement

Medium Protection improves the cover offered by the Basic Protection package by reducing the Excess amount on standard Vehicles, Selection Vehicles and vans.

Passenger means any person other than the driver that is being transported or is travelling in or on the Vehicle on a gratuitous basis. A Passenger is viewed as a Third Party under the mandatory Third Party Liability insurance regimes

Premium Protection is a package which is available for standard Vehicles if you are aged 26 or over and your rental starts in the UK at any of the participating branches. It improves the cover offered under the Basic Protection package by reducing the Excess amount to zero. Premium Protection is not available for Selection Vehicles or vans.

Protection (or protection) in these Insurance and Protection provisions applies to the means by which your financial liability for any damage to or loss of a Vehicle is limited to the Excess amount. It should be noted that this Protection is not provided by way of an insurance policy

Selection Protection is available specifically for renters of our range of Selection Vehicles. It improves the Basic Protection cover by reducing the Excess amount to £100

T&Cs means the documents that, together, form the Contract

Third Party means any party to an incident other than the driver of the Vehicle. For the avoidance of doubt a Passenger is deemed to be a Third Party

Third Party Liability insurance means insurance that provides the driver of a Vehicle with protection against liability for another party's claims for damage to his/her property or for bodily injury or death arising out of an incident that occurs whilst you are using the Vehicle. Third Party Cover is a mandatory legal requirement and it is therefore an integral part of our rental service. The price of it is included in the rental charge.

Vehicle means the vehicle you will be renting from us or you will be driving with our authorisation.

We or we/ Us or us / Ours or ours means Europcar in the United Kingdom.

You or you / Yours or yours means any driver that is named on the rental agreement.

26.3. Mandatory Third Party Liability Insurance

We are required by the laws of all of the countries in which we operate our vehicle hire services to

insure our Vehicles against liability for any loss or damage caused to Third Parties. Third Party Liability insurance is therefore automatically included as part of our vehicle hire services and you will be covered for the consequences others may suffer as a direct result of your actions whilst you are driving the Vehicle, up to the level legally required by the country in which you are renting the Vehicle.

26.3.1. What am I covered for?

You will be insured against liability for the following damage that you cause when you are using the Vehicle:

- 26.3.1.1. bodily injury or death suffered by Third Parties; and
- 26.3.1.2. property damage sustained by Third Parties and losses and costs arising as a consequence of the damage.

26.3.2. What is excluded from the cover?

Third Party Liability insurance does not cover:

- 26.3.2.1. bodily injury or death that you (the driver at the time of the collision) may suffer; or
- 26.3.2.2. any damage to or loss of your personal property or possessions; or
- 26.3.2.3. any damage caused to the Vehicle

26.3.3. What is the amount of my financial exposure for Third Party Liability?

You will be covered for the sums owed as a consequence of any Third Party Liability arising as the result of a collision that you may cause up to the level legally required by the country in which you are renting the Vehicle, provided you have not committed a breach of any applicable laws (including any relevant road traffic regulations) or these T&Cs.

However, if you didn't comply with those laws and/or regulations and/or these T&Cs then, whilst our insurer will still fulfil its obligations to Third Parties under the Third Party Liability insurance policy, it may seek to recover from you some or all of the costs it may have paid to that Third Party as a result of the incident.

26.3.4. How to notify us?

Where an incident occurs that involves Third Parties it is important that you do your utmost to report the collision to the First Call Assist telephone reporting line (0800 0280 999) at the earliest possible opportunity providing full details of both the incident and of the Third Party. This will allow us to defend our case against the Third Party (if you are responsible for the incident) or to recover costs from the Third Party (if the Third Party is responsible for the incident).

PROTECTION PRODUCTS

26.4. Collision Damage Waiver

Our collision damage waiver cover limits your financial exposure for damage caused to the Vehicle whilst it is in your care. If you purchase our standard collision damage waiver product and comply with the applicable laws and these T&Cs then we will pay for any damage to the Vehicle that exceeds the Excess amount (including any Engineer's Charge (as set out in the Tariff Guide) and a Loss of Use Charge calculated as indicated in section 12.11.2.1, but not the Light Damage Administration Charge or the Serious Damage Administration Charge or the **Tyres, Windscreen and Essential Items Damage Administration Charge**, which you will remain liable to pay). You can reduce or eliminate the Excess amount by purchasing our Medium or Premium Protection cover instead of the Basic Protection package.

Collision damage waiver cover is included in the daily rental charge for the majority of rentals, unless you opted for a rate exclusive of Basic Protection when booking your rental (where available - see clause 9.2). In these circumstances, the Basic Protection package (which includes collision damage waiver) may not be included in the rate and you will need to confirm to us at the point of collection that you have similar and acceptable waiver cover (either with a third party or via your credit card) in place before we will release a Vehicle to you. We do not accept personal car insurance policies (except corporate fleet insurance - see section 9.2 of the Terms and Conditions of Hire). You should note that, in the event of a claim, we will recover any sums directly from You and You will then need to make a separate claim to the provider of your third party excess cover or your credit card provider. We do not deal with any third party directly. The only exception to this is where you have purchased Enhanced Partner Protection cover detailed in clause 26.8.

Collision damage waiver does not cover the loss or theft of or damage to objects or property, (including luggage or goods) that are deposited or kept or transported in or on the Vehicle by you or by any Passenger.

26.4.1. What does this protect me against?

Collision damage waiver cover limits your liability for damage to the Vehicle to a maximum sum of the Excess amount, plus the Light Damage Administration Charge or the Serious Damage Administration Charge, in circumstances where:

- 26.4.1.1. you collide with a fixed or moving object; or
- 26.4.1.2. the Vehicle is subject to an act of vandalism while you are driving or using it; or
- 26.4.1.3. any glass, lights or reflectors are damaged or broken or tyres are damaged or punctured during a collision.

26.4.2. What is excluded from the Protection?

The Collision Damage Waiver will not operate to limit your liability as set out above in circumstances where the damage to the Vehicle is caused:

- 26.4.2.1. by the wilful acts of the driver; or

- 26.4.2.2. by an explosion or fire in (or to) the Vehicle because you are using it to transport dangerous goods (dangerous goods being any product or substance that, due to its nature and/or main characteristics, is reasonably considered to be dangerous and which, if not transported with appropriate caution and safety, could cause harm to the Vehicle, and to any Third Party within a reasonable distance of the Vehicle); or

- 26.4.2.3. by the Vehicle hitting a bridge, car park barrier or other overhead object; or

- 26.4.2.4. by its total or partial theft or an act of vandalism whilst the Vehicle is left unattended; or

- 26.4.2.5. by your negligence (which is behaviour that falls below the standards expected of a reasonably sensible person in similar circumstances) or the negligence of your Passengers (for example a fire caused by the use or disposal of cigarettes or cigars); or

- 26.4.2.6. because the keys are lost, stolen or damaged,

Loss of or damage to your own property that is being transported or kept in or on the Vehicle during the Hire Period is not covered by the Collision Damage Waiver.

26.4.3. What must I do to benefit from the Protection?

You must:

- 26.4.3.1. **purchase the protection if it is not included in the rental charge;
- 26.4.3.2. **comply with these T&Cs and all applicable laws and local traffic regulations when you are driving the Vehicle;
- 26.4.3.3. **notify us within 24 hours of the date on which the incident took place and, in any event, before the end of your Hire Period. Notification should be made to First Call Assist on telephone number 0800 0280 999 providing full details of the incident.

** these are the minimum requirements.

26.4.4. What is the amount of my financial exposure?

If you have not purchased this Protection and during the Hire Period the Vehicle is damaged, you will not benefit from the limitation of liability set out above and you will be liable to pay the sums set out in section 12 above in full. If you have purchased this Protection and, provided you have complied with these T&Cs and the applicable law and road traffic regulations, then the maximum you will have to pay us is the Excess amount, plus the Light Damage Administration Charge or the Serious Damage Administration Charge.

26.5. Theft Waiver

Our theft waiver cover limits your financial exposure for loss of the Vehicle if it is stolen or if it is damaged because it is subject to an attempted theft or the Vehicle is subject to an act of vandalism during the

Hire Period. If you have purchased this product then, provided you have complied with these T&Cs, we will pay for the costs arising from the theft, attempted theft, or act of vandalism that are greater than the Excess amount (including any Engineer's Charge (as set out in the Tariff Guide) and a Loss of Use Charge calculated as indicated in section 12.11.2.1, but not the Light Damage Administration Charge, the Serious Damage Administration Charge or the Tyres, Windscreen and Essential Items Damage Administration Charge, which you will remain liable to pay).

Theft waiver cover is included in the daily rental charge for the majority of rentals unless you selected a rate exclusive of Basic Protection when booking your rental (where available - see clause 9.2). If this is the case, the Basic Protection package (which includes theft waiver cover) will not be included in the rate and you will need to confirm to us at the point of collection that you have similar and acceptable waiver cover in place, either with a third party or via your credit card provider, before we will release a Vehicle to you. We do not accept personal car insurance policies, except corporate fleet insurance (see section 9.2.1 of the Terms and Conditions of Hire). You should note that, in the event of a claim, we will recover any sums directly from You and You will then need to make a separate claim to the provider of your third party excess cover or credit card provider. We do not deal with any third party directly. The only exception to this is where you have purchased Enhanced Partner Protection cover detailed in clause 26.8.

26.5.1. What am I protected against?

Theft waiver cover protects you against liability for any amount greater than the Excess amount, plus the Light Damage Administration Charge or the Damage Administration Charge in circumstances of:

- 26.5.1.1. the theft of the Vehicle and any accessories following an occurrence of breaking and entering (accessories being any supplementary component that is installed in or on the Vehicle that improves its specification);
- 26.5.1.2. the attempted theft of the Vehicle and of any accessories;
- 26.5.1.3. any act of vandalism to the Vehicle whilst it is stationary and left unattended by you;
- 26.5.1.4. any glass, lights or reflectors that may be damaged or broken or tyres that are damaged or punctured as a result of the theft.

26.5.2. What is excluded from the Protection?

Theft waiver cover will not protect you and you will not benefit from the limitation of liability set out above in the following circumstances:

- 26.5.2.1. the Vehicle is stolen or damaged because of your negligence or more specifically (but without limitation) as a result of keys being left in the Vehicle whilst it is unattended or

having been delivered to an unauthorised person; your failure to use the anti-theft system appropriately when the Vehicle is left unattended; any failure by you to return the keys to us; or if you left the Vehicle unlocked when you weren't using it;

- 26.5.2.2. theft of or damage to personal and/or work related goods or possessions and any goods being transported in or on the Vehicle.

26.5.3. What must I do to benefit from the cover?

You must:

- 26.5.3.1. **purchase the product if this is not included in the rental charge;
- 26.5.3.2. **comply with these T&Cs as they apply to the theft or potential theft of a Vehicle;
- 26.5.3.3. **notify the local police of any incident or event immediately or as soon as is reasonably practicable and provide us with the police report or evidence that the theft has been notified to the police;
- 26.5.3.4. notify the pick-up station of the theft and return the keys;
- 26.5.3.5. notify the pick-up station, within 24 hours of the time you discover the Vehicle is missing and forward the keys to us at the place you picked the Vehicle up.

** These are the minimum requirements.

26.5.4. What is the amount of my financial exposure?

If, during your rental, the Vehicle is stolen or is damaged in an attempted theft or due to vandalism and you have not purchased theft waiver cover then you will be liable to pay, in full, the relevant sums set out in section 12 above.

With theft waiver cover, provided you have complied with these T&Cs, the maximum you will have to pay us is the Excess amount, plus any other applicable charges or fees as set out in the Tariff Guide.

OTHER PRODUCTS

You can choose to limit your financial exposure further by purchasing the following Protection products. Please be aware that there are nevertheless exclusions as described below.

26.6. Value Cover: Glass, Lights and Tyre Protection

This product will apply to any damage that occurs to glass, lights or tyres in circumstances of normal use of the Vehicle during the Hire Period. It will reduce your financial liability for the Excess amount defined by your Protection product (ie., Basic, Medium, Premium or Selection Protections) to £zero as long as you have complied with these T&Cs.

26.6.1. What am I protected against?

If you have purchased this product you will be protected against the financial liability for damage to:

- the windscreen; or

- any side or rear windows; or
- lenses (reflection of light) and lights; or
- rear view mirrors that are in or on the Vehicle if the damage occurs during your rental; or
- damage to tyres on the Vehicle, unless it arises from any Abnormal use (see definition under section 26.2 above) you may make of the Vehicle.

26.6.2. What is excluded from the Protection?

You are not protected under this product

- 26.6.2.1. against the damage to the Vehicle if it arises because of wilful acts or negligence that you commit whilst using the Vehicle and which causes damage; or
- 26.6.2.2. for the **Tyres, Windscreen and Essential Items Damage Administration Charge** or the **Serious Damage Administration Charge** (whichever applies in the circumstances), both as set out in the Tariff Guide.

26.6.3. What must I do to benefit from the Protection?

You must:

- 26.6.3.1. purchase it;
- 26.6.3.2. comply with these T&Cs, all applicable laws and local traffic regulations when driving the Vehicle;
- 26.6.3.3. notify us within 24 hours of the date on which the incident took place and, in any event, before the end of your Hire Period. Notification should be made to First Call Assist on telephone number **0800 0280 999**, providing full details of the incident, (the nature of damage to the Vehicle, the location where the incident took place, the dates and circumstances and the potential witness details).

26.6.4. What is the amount of my financial liability?

If you have not purchased this Protection and, during the Hire Period any glass or lights on the Vehicle are broken and/or any tyres on the Vehicle are damaged, then you will be liable for the Excess amount defined by your Protection product (ie Basic, Medium, Premium or Selection Protection), plus any other applicable charges or fees as set out in the Tariff Guide, including the Light Damage Administration Charge or the Serious Damage Administration Charge.

If, however, you purchase this glass, lights and tyre Protection (and provided you have complied with these T&Cs and the applicable laws and road traffic regulations) then you will have no liability for such damage.

26.7. Personal Accident & Baggage Protection

The following details are for information only and do not replace or supersede the terms and conditions of the current Super Personal Accident insurance ('Super PAI') policy a copy of which can be found at:

<https://www.eurocar.co.uk/protection-package-details>.

We automatically include Third Party Liability insurance as part of our vehicle rental services. For details of this insurance please see section 26.3 above entitled 'Mandatory Third Party Liability Insurance'.

The Third Party Liability Insurance does not, however, cover bodily injury suffered by the person driving the Vehicle at the time of a collision if that collision occurs as a result of that driver's actions (an 'at fault' driver). If you are the at fault driver of the Vehicle you will therefore not be covered for the financial repercussions of:

- personal bodily injury or death; or
- any damage to or loss of your personal property or possessions.

In order therefore to minimise your financial exposure for such damage, loss or injury in such circumstances we are offering our Super-Personal Accident insurance product which you can purchase.

- Super-Personal Accident insurance provides best-in-class protection for:
 - medical expenses incurred as a result of injuries suffered because of the collision (or an accident); and /or
 - a lump sum indemnity if you are disabled or you die as a result of the collision (or an accident).

It also incorporates baggage cover.

26.7.1. What am I covered for?

If you purchase this insurance product and you are in a collision whilst you are driving the Vehicle you can make a claim towards the financial cost of any of the possible consequences that result if you or any of your passengers die or are injured or if your personal effects are damaged or lost:

- 26.7.1.1. a lump sum payment up to a maximum stated in the Super PAI policy:
 - 26.7.1.1.1. in the event of your death (or presumption of death) or the death of any of your passengers within 24 months of the collision or incident as a result of the collision; or
 - 26.7.1.1.2. if you or if any of your passengers ultimately remain partially or totally disabled from the consequences of the collision or incident;
- 26.7.1.2. medical expenses for you and your passengers up to a maximum stated in the Super PAI policy (which includes hospitalisation, consultations and pharmaceutical costs, X-rays and relevant medical tests, dental treatment or any prosthetics) necessitated by the collision or incident;
- 26.7.1.3. loss, damage, theft or destruction of your travel bags and suitcases and the personal

effects (including valuable personal effects, such as jewellery or furs and computer equipment, cameras or personal hi-fi equipment) contained in them up to a maximum stated in the Super PAI policy as a result of a collision or theft.

If you and/or your Passengers are victims of a collision during the Hire Period then, provided you have purchased the product (in which case the Protection will apply to you and all passengers in the Vehicle), a claim can be made against it irrespective of who is at fault. As a result:

- 26.7.1.3.1. Passengers and a 'not at fault' driver (both of whom are considered to be third parties in the context of the mandatory Third Party Liability insurance regime) can not only be Indemnified by the Third Party Liability insurer for injury, loss of or damage to personal property but can also collect the lump sum indemnity they are entitled to under the Super-Personal Accident insurance product; or
- 26.7.1.3.2. 26.7.2. What is (mainly) excluded from the cover?

This Super-Personal Accident insurance does not cover:

- 26.7.2.1. any of the costs set out above if the expense was not incurred as a direct result of the collision or incident occurring whilst you were in control of the Vehicle or if you intentionally caused or brought about the accident or collision;
- 26.7.2.2. any costs relating to treatment you were receiving or medical conditions you were suffering from before the accident or incident occurred;
- 26.7.2.3. the cost of loss, or destruction of or damage to your baggage if it is:
 - 26.7.2.3.1. caused by fair wear and tear, depreciation, inherent defects, or smokers' accidents;

26.7.3. What is the amount of my financial exposure?

Provided you have not committed a breach of any applicable laws (including any relevant road traffic regulations and, in particular, relating to the wearing of seat belts and not exceeding the official passenger capacity of the vehicle – for example if 7 people are injured in a 5 seater vehicle then the Super-Personal Accident insurance will simply not apply at all) then you will be entitled to the Protection up to the indemnity limits shown in the Super PAI policy copy stored at

<https://www.europcar.co.uk/protection-package-details>.

However, if you didn't comply with those laws and/or regulations then our insurer may refuse the cover altogether or, if it can be shown that you were partially responsible for the level of injury you suffered in the collision or incident, it may seek to reduce its liability for the costs.

26.9. How to notify us?

It is important that you do your utmost to properly complete and sign an accident claim form which will be made available on request. This gives us all relevant details of the incident and will allow us to ensure your claim is being handled as efficiently as possible. The accident claim form should be transmitted to us within a maximum of 5 working days of the collision or incident.
