ADDITIONAL DRIVERS	Additional authorized operators can be added, for an additional charge, at the time of rental or at any rental location. The primary renter and each Additional Authorized Operator must be present to sign the rental agreement and must meet normal rental qualifications, such as showing a valid driver license, and meeting all age requirements.
AGE	Age 21-24 (18 yrs. old in NY State) – May use Credit or Debit Card and meet all payment policies. Underage Charge will apply.  Local Renter Policies also apply.
CANCELLATION	<b>CREDIT CARD REQUIRED RESERVATIONS</b> Certain sites require a Credit Card to Guarantee the reservation. If this should occur, you are subject to a one days rental charge for reservations not cancelled 24 hours in advance.  <b>PREPAID CANCELLATION POLICY</b> When you select a Pay Now option, the following will apply. Reservations will be honored for the entire day in which the rental is scheduled to be picked up. A cancellation fee will apply to prepaid reservations that are cancelled. The cancellation fee will be \$50.
CDW	<b>CDW</b> CDW (Collision Damage Waiver) is not insurance. It eliminates the renter and/or any authorized drivers from financial responsibility if the vehicle is involved in an accident. If the terms and conditions of the Rental Agreement are violated, CDW is void and the renter is fully responsible for all costs associated with the incident. If you decline CDW, you are responsible up to the full market value of the vehicle. CDW does not cover any third party's or unauthorized driver's. Theft, glass, tires, acts of God, and fees associated with the collection of the damages are not covered. Any incidents must be reported to local Police and a case number provided. Failure to do so will void CDW. CDW does not have a deductible. CDW cannot be purchased by underage renters, local renters, or those paying up front with debit cards. These renters must provide proof of full coverage insurance to rent a vehicle.  <b>AFTERMARKET ACCESSORIES</b> Installation of any aftermarket accessories to a rental vehicle is prohibited and immediately voids CDW. This includes, but not limited to, snow chains and trailer hitches.  <b>OTHER INSURANCE/CREDIT CARD COVERAGE</b> Online travel sites and Credit Cards offer their own version of CDW and/or Liability Coverage. If you choose to select one of these products, please bring confirmation or proof of coverage to show at the counter. Purchase of these products does not relieve you from primary responsibility of damage to the vehicle or any liability incurred. Any valid claims that are refused by the Insurance carrier will be your responsibility.  <b>DECLINING COVERAGE</b> The renter will be solely responsible for the vehicle itself and any third party claims made against it. Please check with your insurance agent for more information regarding your policy coverage.
DRIVERS LICENSE	Each Renter and Additional Driver must present a valid Driver's License. The Driver's License may not expire during the Term of the Rental.  International Renters must present an acceptable valid Driver License issued from your country of residence. The License must be valid for the entire rental period. If the License is in a language other than English, a certified English Translation or International Driver permit is strongly recommended.
